

QUEST 1981

If you can keep your head when all about you
Are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies
Or being hated, don't give way to hating,
And yet don't look too good, nor talk too wise:

1981 QUEST

If you can dream — and not make dreams your master;
If you can think — and not make thoughts your aim;

If you can meet with Triumph and Disaster
And treat those two imposters just the same;

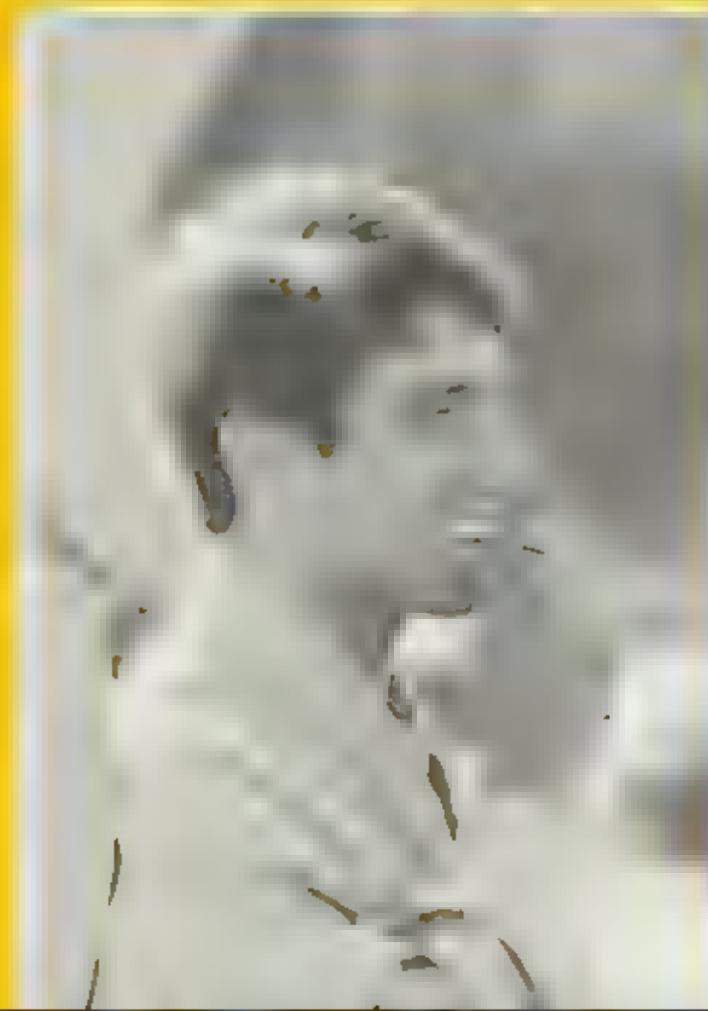

If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,

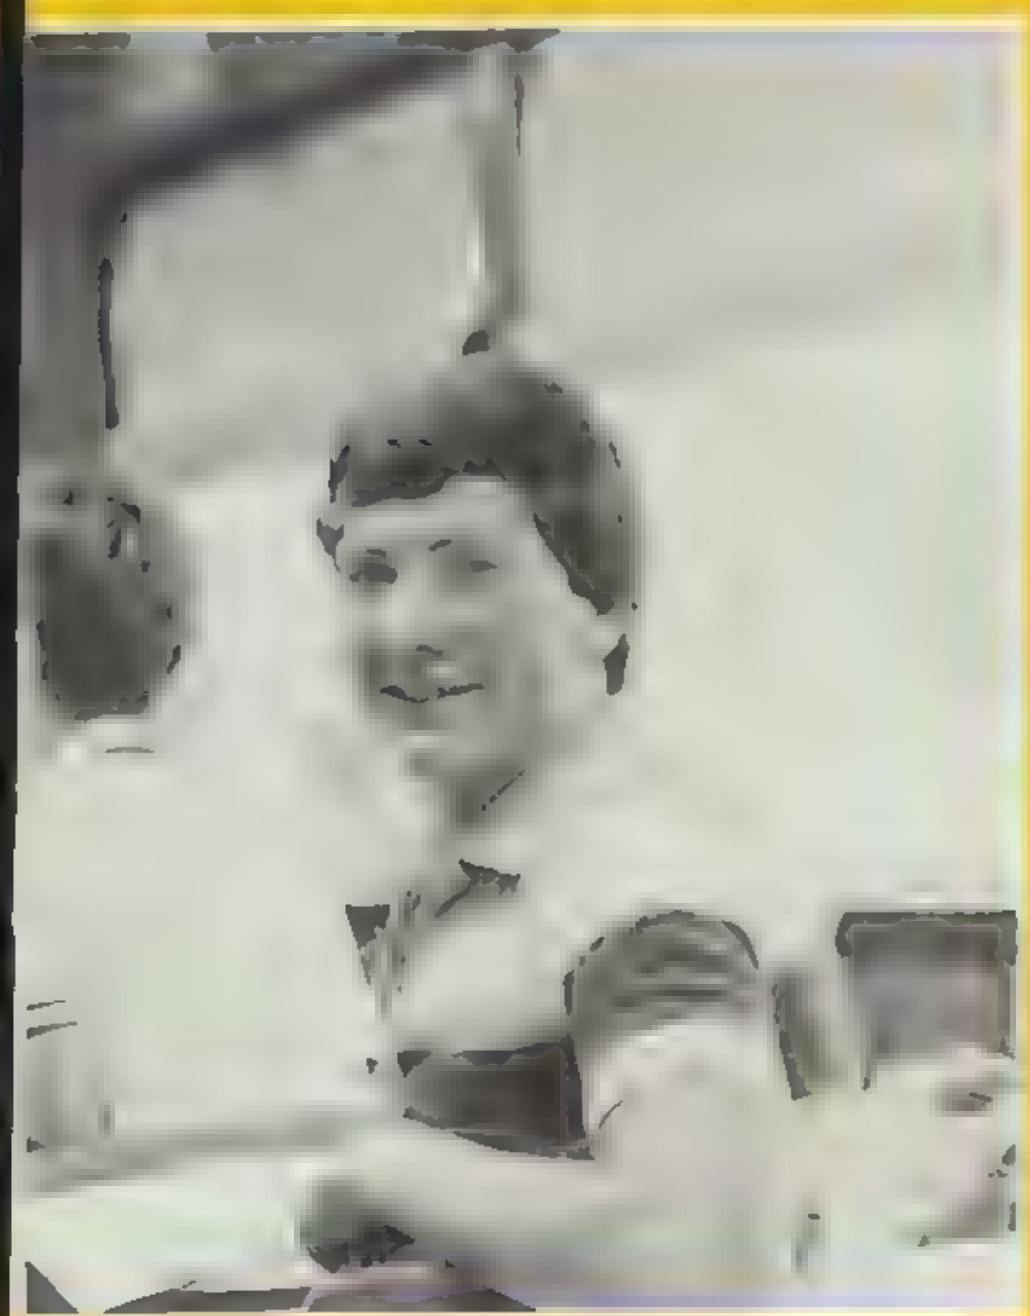

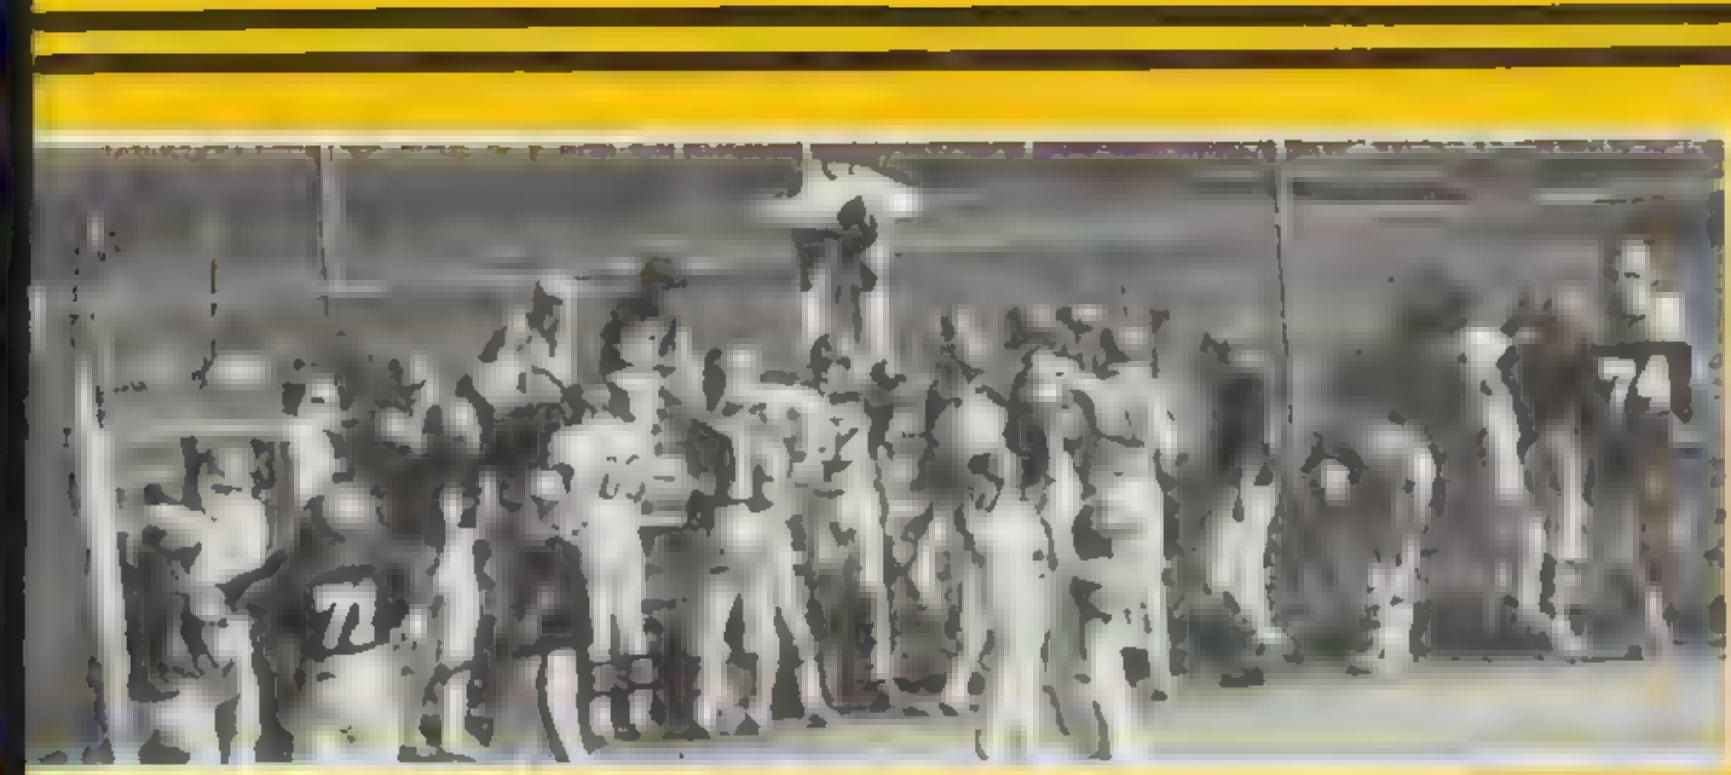

Or watch the things you gave your life to, broken
And stoop and build 'em up with worn-out tools:

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,

And lose, and start again at your beginnings
And never breathe a word about your loss;

If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
or walk with kings - nor lose the common touch,
if neither foes nor loving friends can hurt you,
if all men count with you, but none too much
if you can fill the unforgiving minute
with sixty seconds worth of distance run,
yours is the earth and everything that's in it
and - which is more - you'll be a man, my son!

Opening Day, the official start of the new school year saw the introduction of many new faces, including that of Br. Grimaldi, our new Principal, Br. MacIntyre, our new Vice Principal, Br. Berndlmaier, the new Guidance Counselor, and of course the bright new faces of the Freshmen.

Student Council President Pat Carey, Br. Grimaldi, the Assistant Dean of Discipline, Mr. Kozlowski, and Br. Berndlmaier addressed each class. On Monday, August 25, the Freshmen and Juniors had their opening assembly followed by a homeroom meeting at which time schedules and booklists were distributed. Following this, the students purchased their books in the cafeteria. Sophomores and Seniors followed the same procedure Tuesday, August 26.

Seniors dominate Field Day competition

For the first time in years the weather cooperated and helped to turn Field Day 1980 into one of the best ever. The day dawned sunny, but cold, and all the events ran well and without problems. The hard work and good organization of Chairmen Joe Bars, Pat Carey, and Hugh O'Donnell and vice-chairman Dave Simonelli served to help the day run smoothly.

As usual, the seniors beat out all competition winning most events, such as the skit, t-shirt, tug-of-war, and speed chess. The juniors won big over the sophomores for second place and the freshmen, as usual, came in fourth.

The entire day ran without a hitch from beginning to end. The skits, ranging from the football game freshmen skit to the Johnny Carson show senior skit, were rather mediocre, but also entertaining. The events started immediately after the skits, with the tug-of-war and volleyball taking place in the gym, as the open events, field events, and ever-popular obstacle course were conducted outside.

Then, a week later, 253 couples converged on Hillcrest Country Club for the Homecoming Dance. The dance ran quite well, thanks to dance chairman Dave Juneau, and all present enjoyed the sounds of the band, White Hot.

Humanities seminar culturally enriches through the arts

The Humanities Seminar is a new elective course offered to Brother Rice students this year. Through the dedication and hard work of Gerry Moynahan, this course proved highly successful.

Humanities was designed to expose students to art, music, and other facets of culture. Using Gerry Moynahan's house as a meeting place, the humanities group gathered themselves and then set off for that week's lesson, a concert. After the concert the group usually stops off at a favorite restaurant before heading home.

Students hail the course and its moderator, saying that through the Humanities Seminar they learned to appreciate classical music and art.

Taking care of business

Be it a restaurant, clothing store, or a supermarket, chances are you will find a hard working Brother Rice student inside. When not busy with school work, these enterprising youths developed responsibility, character, and some valuable skills while earning money through after school and weekend jobs. Many had college tuition in mind, others had a girl-friend or car to support, and some just plain needed extra money to finance their social lives. But all, for some reason needed money, and they were willing to cook, rake, sweep, bag, stack, sell, toil and sweat to do it.

On the whole, employers were extremely pleased with the work of Brother Rice students and many actually preferred to hire them. Through the help of the guidance office students contacted prospective employers and lined up jobs. Both in school and out, Rice students established a reputation for being dependable, responsible, and hard workers.

The 1980 Marian Model United Nations was one of the best run and most united in history. This year's M.U.N. ran differently than previous years in that a comprehensive solution to the worldwide refugee problem was set as the main topic of discussion. This refugee theme worked exceedingly well, thanks to the work of chairpersons Marie Miranda, Anita Sarafa, and Dave Slocum. Other topics of discussion included disarmament, the Mid-East situation, Iran, torture, agrarian reform, and world hunger.

Delegates from Rice continued the tradition of excellence they are known for. Major speaking awards were won by Mike Jones, Steve Moss, and Tim Noonan and minor speaking awards were won by Joe Lunghamer and John Caraher. Other Rice students who received speaking awards were Greg Abowd, Tom Doyle, Oscar Labiano, John MacManus and Phil Stenger.

Rice delegations also managed to capture both the major and minor delegation awards. The major delegation was won by France with Rice delegates Marty Harper and Jeff Nagle. The minor delegation was won by the U.S.S.R. with delegates Pat Carey, Brian Kitz, Hugh O'Donnell, and Dave Shenk.

In February, the eight top delegates from Rice travelled to Georgetown, along with their moderator Br. Kelly, and achieved national prominence representing the nation of France at the North American Invitational Model United Nations (N.A.I.M.U.N.). These eight delegates were Dave Slocum, Jeff Nagle, Pat Carey, Brian Kitz, Hugh O'Donnell, Dave Shenk, Steve Moss, and Tim Noonan.

Changes bring more students to masses

THIS PAGE- Above: Mr. Moynahan rehearses the hymns with the students before the Thanksgiving Mass. Bottom: Father Gomez celebrates the Mass of the Holy Spirit and Pete Carolin serves.

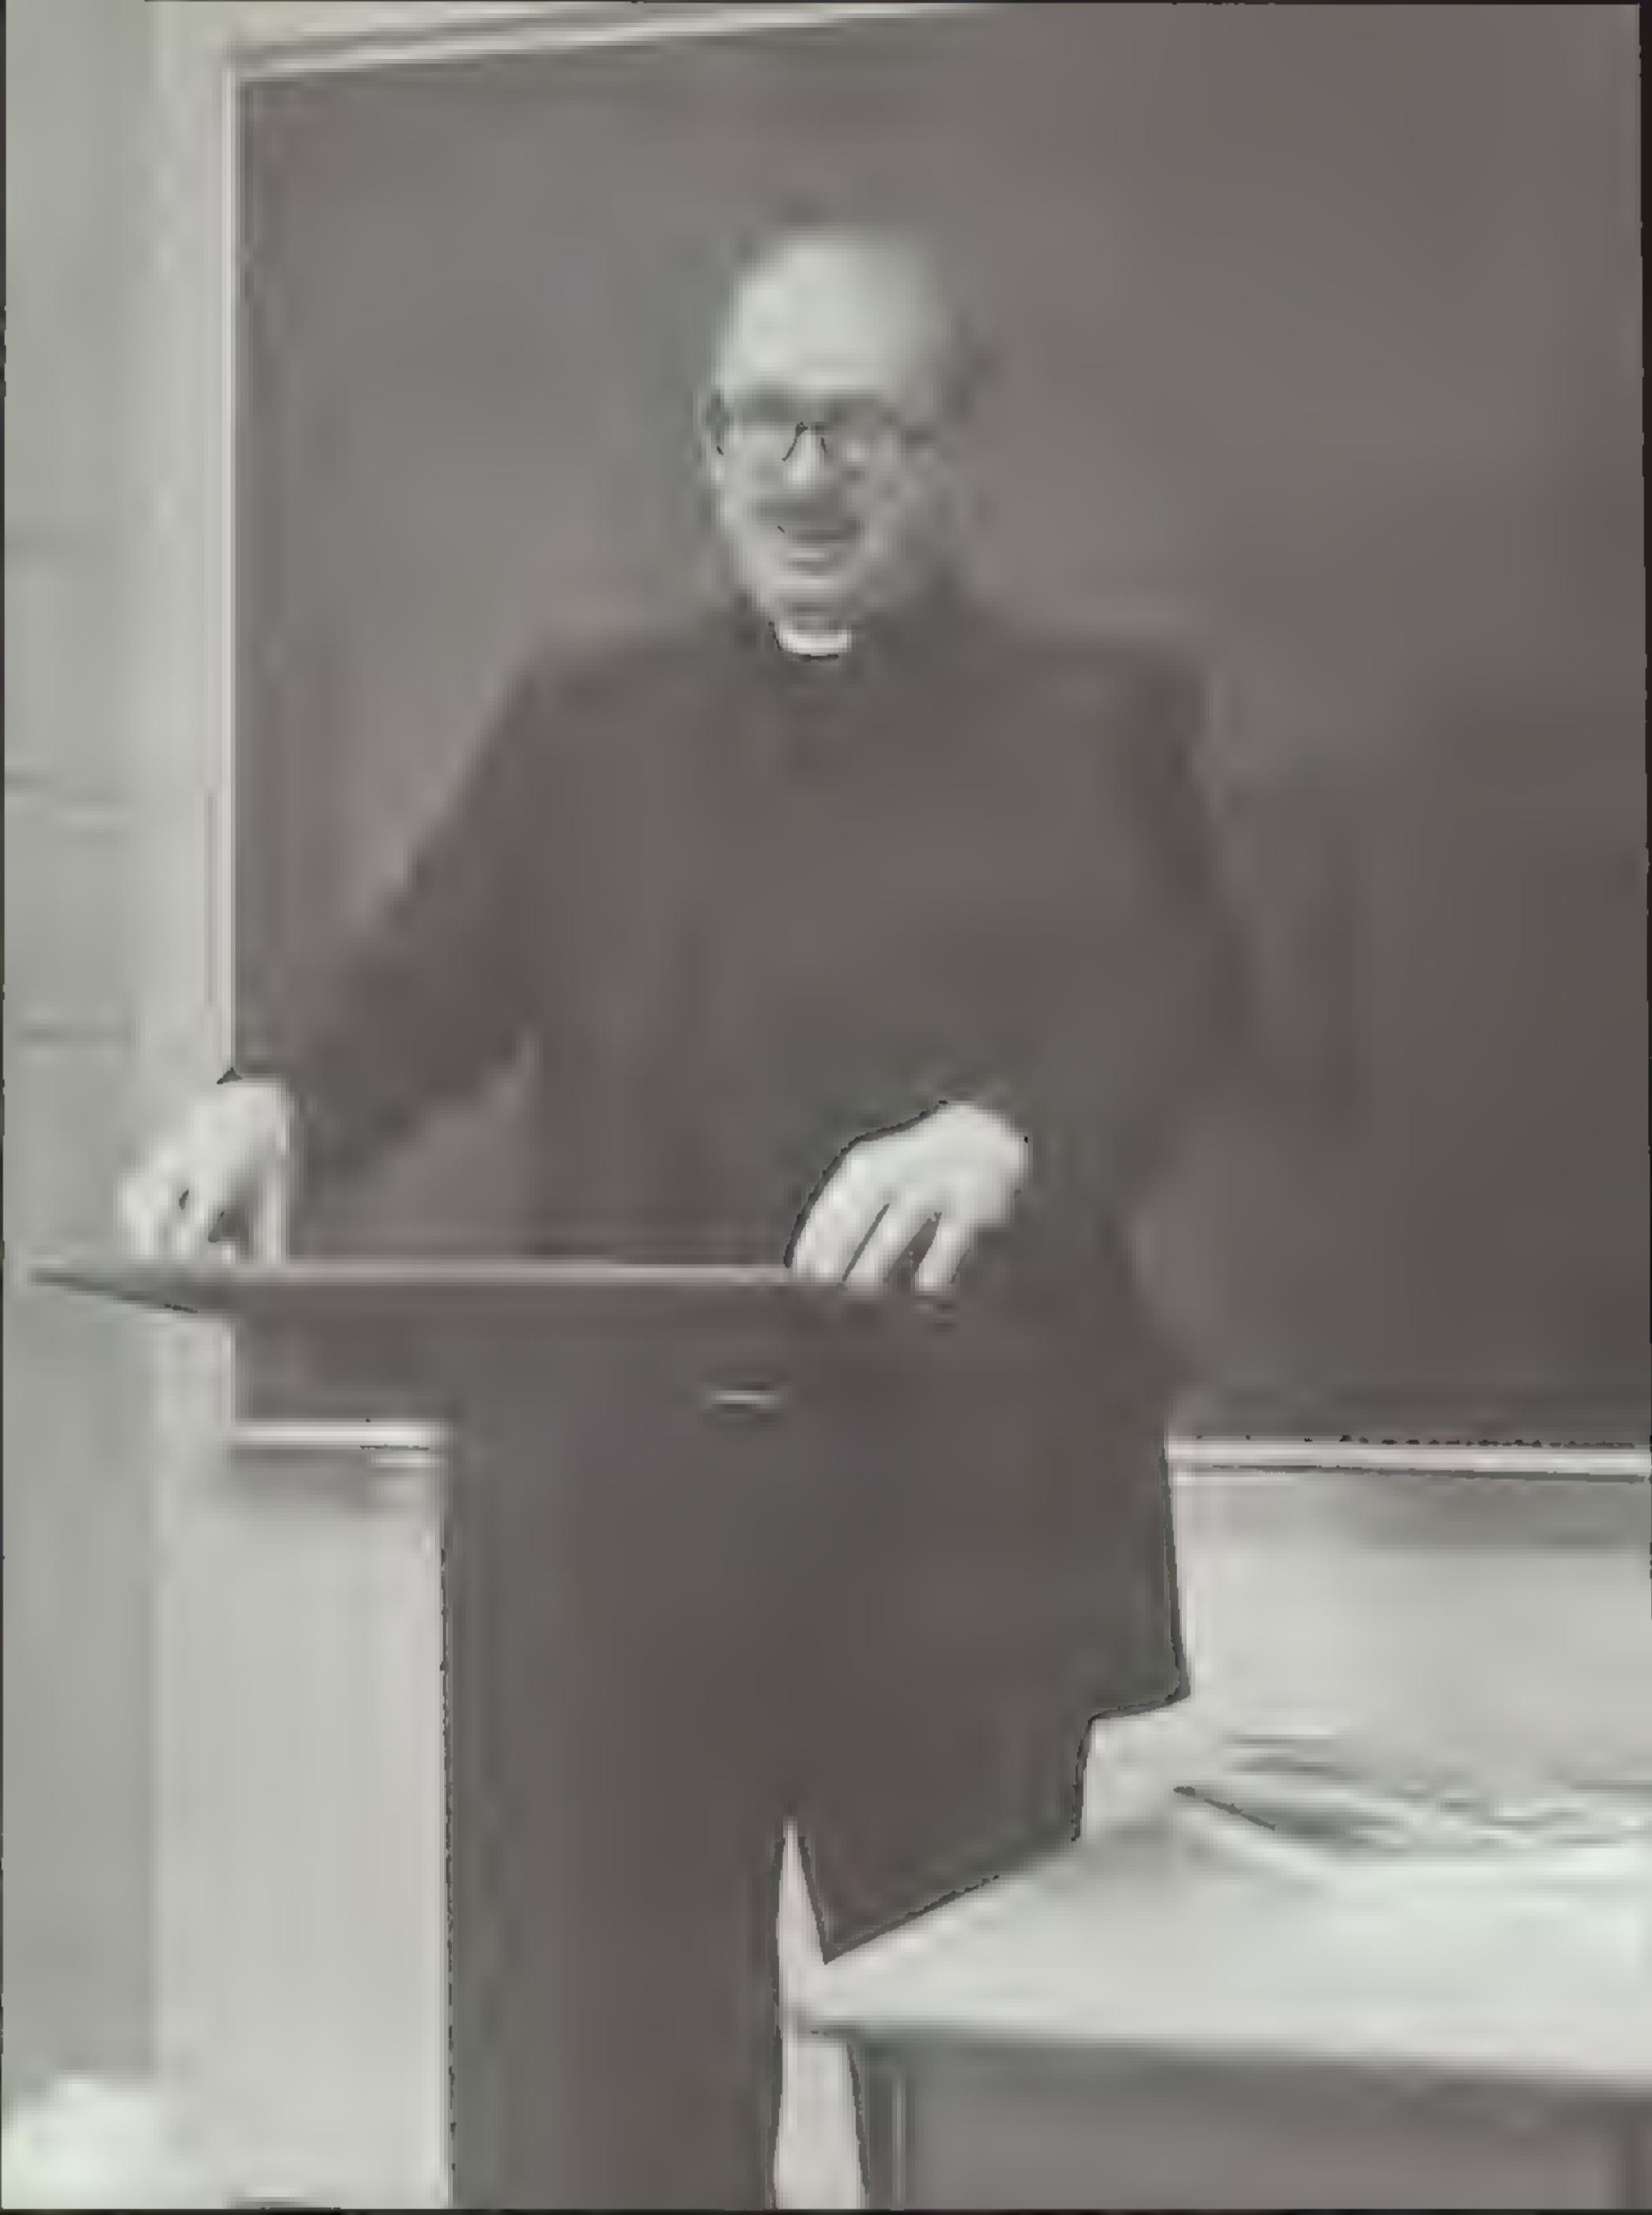

An integral part of the Brother Rice community of faith was the school-wide Masses held several times in the year. This year there were many noticeable changes concerning the Masses.

At the beginning of the year Br. Grimaldi made it clear that perhaps half of the school-wide Masses would be mandatory events, attendance required of all students. Greeted with varying degrees of welcome, this system went into effect with the Mass of the Holy Spirit on September 4.

The second planned change was that Mr. Moynahan would aid with the planning of the liturgies. Inspired by his seminary training, Mr. Moynahan worked with our school chaplain, Fr. Gomez, Br. Keane and Hugh O'Donnell and provided a celebration quite new and refreshing to most students.

The third change was less tangible. More students and faculty "got into" the Mass, more attended the voluntary Masses and by general agreement, there seemed to be more participation. By the end of the year, the Rice family had adapted to the new strategy in style and welcomed the stimulus provided to the school-wide Masses.

Of course, students never forgot Fr. Gomez's daily Masses in our own Brother Rice Chapel. Attendance at these Masses also increased by a few more souls on the average day throughout the year.

New leaders come to Rice

The beginning of August saw the completely new front office staff move in and start work. The school welcomed back the refreshing smile and warm personality of Br. Joseph Grimaldi, who almost immediately had the school feeling the atmosphere of the community of faith he challenged us to develop. Student now found it a blessing to be in the principal's office talking to the man in the big chair about anything from classes to last Saturday night to individual student phones. Br. David MacIntyre, pipe in hand, took on the scheduling and grading responsibilities of the assistant principal's job, along with a French II class. Mrs. Grosso stayed for a few days after having her baby girl to break in the new secretaries, Mrs. Lois Girardot and Mrs. Chris Ferguson. Mrs. Girardot became one of the busiest working women in the country as she held down the secretary's chair in the front office. Mrs. Ferguson took over the old pep shop and became the first attendance secretary of Brother Rice. The treasurer's office saw the familiar faces of Mrs. Lucille Sundquist and Sr. Irene Horvath handling the accounts of various departments and organizations in the school.

In his eighteenth year at Rice, Mr. James Murphy was again the dean while teaching a theology class. Assistant dean David Kozlowski helped Mr. Murphy when he wasn't in a classroom teaching honors algebra to freshmen.

Aid in decision making

The Guidance department worked in various ways to fill all of the students' personal needs.

Father Lawrence Gomez actively carried out his duties as school chaplain in addition to his teaching obligations.

Mr. John Glynn worked officially with the freshmen and sophomores but unofficially was helping many juniors and seniors with their college selections through advice, counseling, recommendations, and mailing transcripts.

In the first semester Br. Karl C. Brendlmaier directed the upperclassmen toward colleges and universities of their choice while Mr. George O'Brien moved from the classroom to the guidance office in the second semester when Br. Brendlmaier was assigned to Rome for six months.

The third aspect of guidance at Rice, speech counseling, was again tried by Mr. Frank Colpitts.

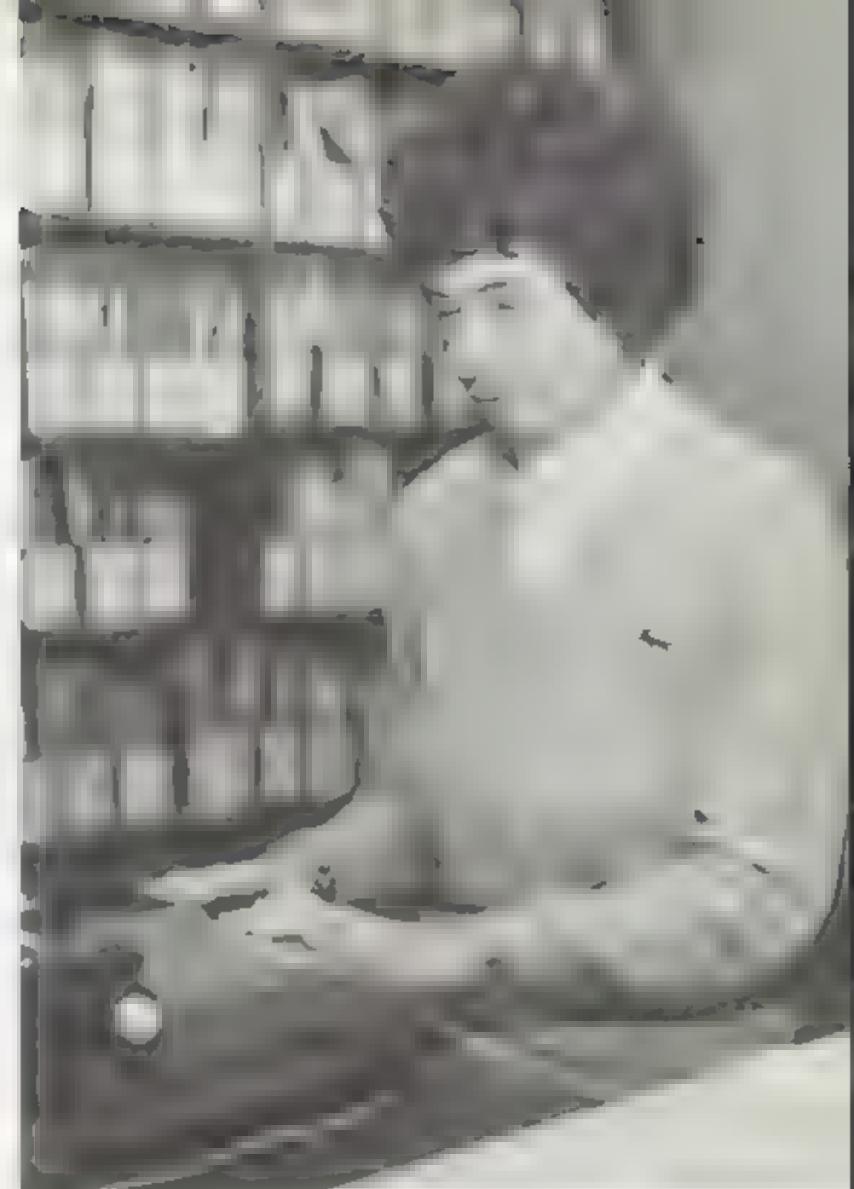

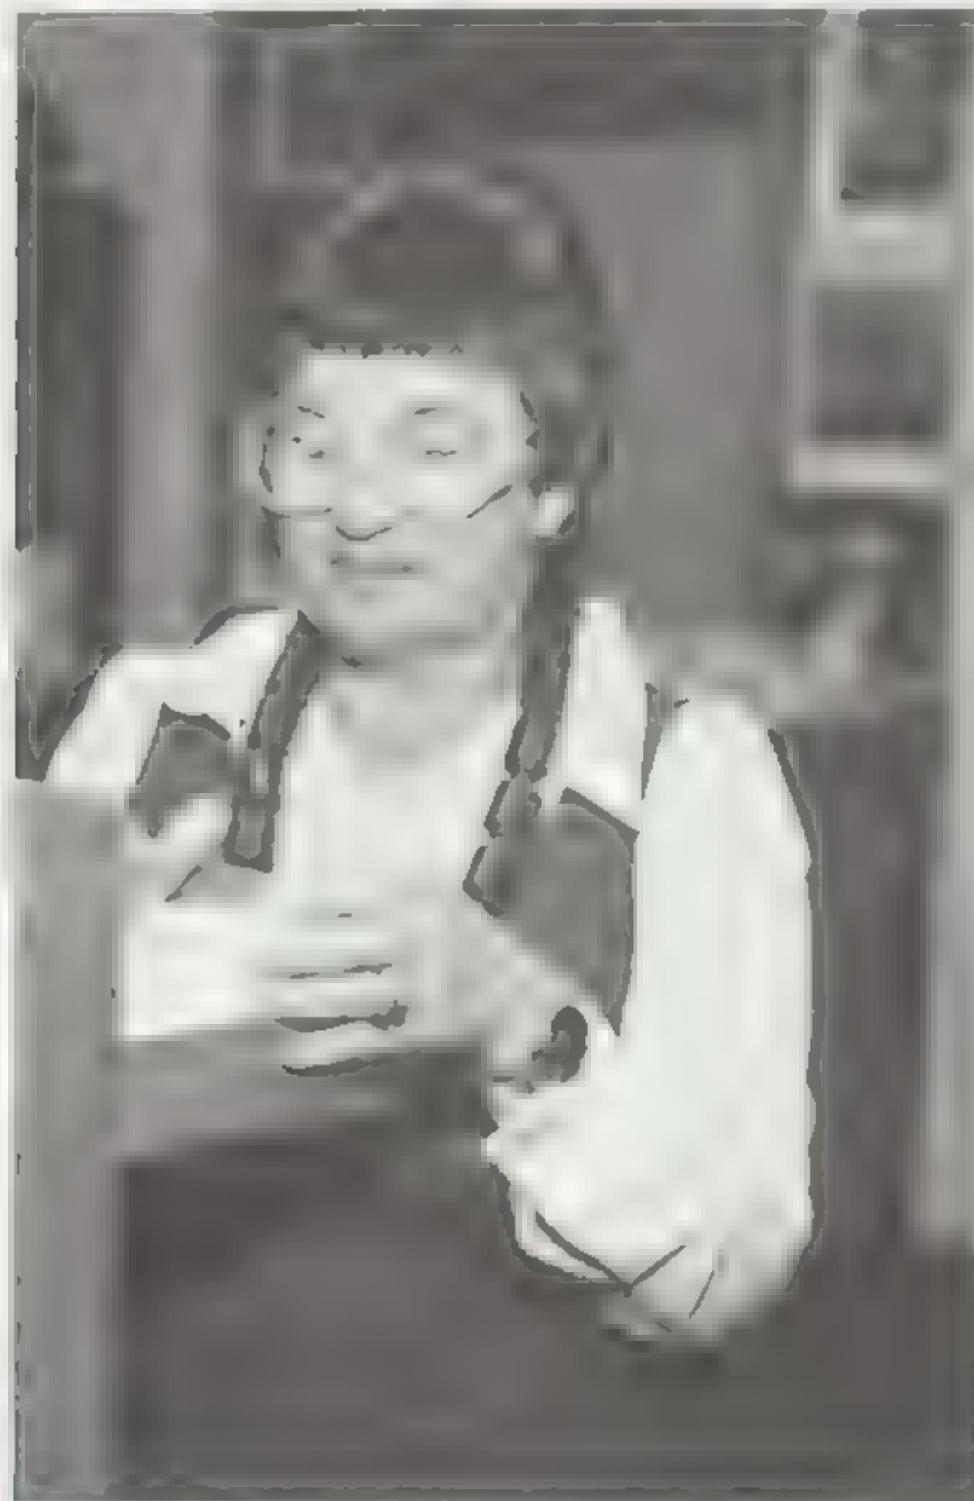

Library provides an ample access to much information

The library was efficiently run by Mrs. Helen Ginzler. Mrs. Ginzler was aided in her efforts by Mrs. Lillian Maben and Mrs. Cecilia Zielesch.

Together, they made sure the library was kept up-to-date. Mrs. Ginzler kept the audio-visual machines in good shape and saw to it that Brother Rice received Newspapers and magazines. Mrs. Zielesch kept watch over the card catalogue, and also kept the library quiet so students could study while they didn't have class. Mrs. Maben was constantly busy typing and copying as well as many other important library duties.

Also helping to keep up the library were the always helpful library aids, who spent their extra time upkeeping the library. To these people all students can and should be thankful. For because of them, we have a great reference section and a wide-ranging library.

The work of guaranteeing Rice students a strong Catholic theological training was boldly undertaken by the Theology Department and their chairman Br James Keane.

Freshmen took upon themselves an extensive study of the life of Jesus and The Scriptures while sophomores learned about the history of the church. Juniors were solely concerned with morality and problems in morality. Seniors had a choice to study courses dealing with contemporary religious movements, modern adult Christianity and philosophy.

The four year program provides numerous opportunities for the willing student to grow in faith hope and love

Below right: Father Lawrence Gomez reiterates the fact that one receives innumerable graces from all seven sacraments.

Under the guidance of department chairman Mr. Marcel Gagnon, the English department continued to give all students one of the strongest backgrounds in English a high school can hope for. The already strong department was strengthened by the addition of Mrs. Marlene Maniere as a freshman and sophomore English teacher.

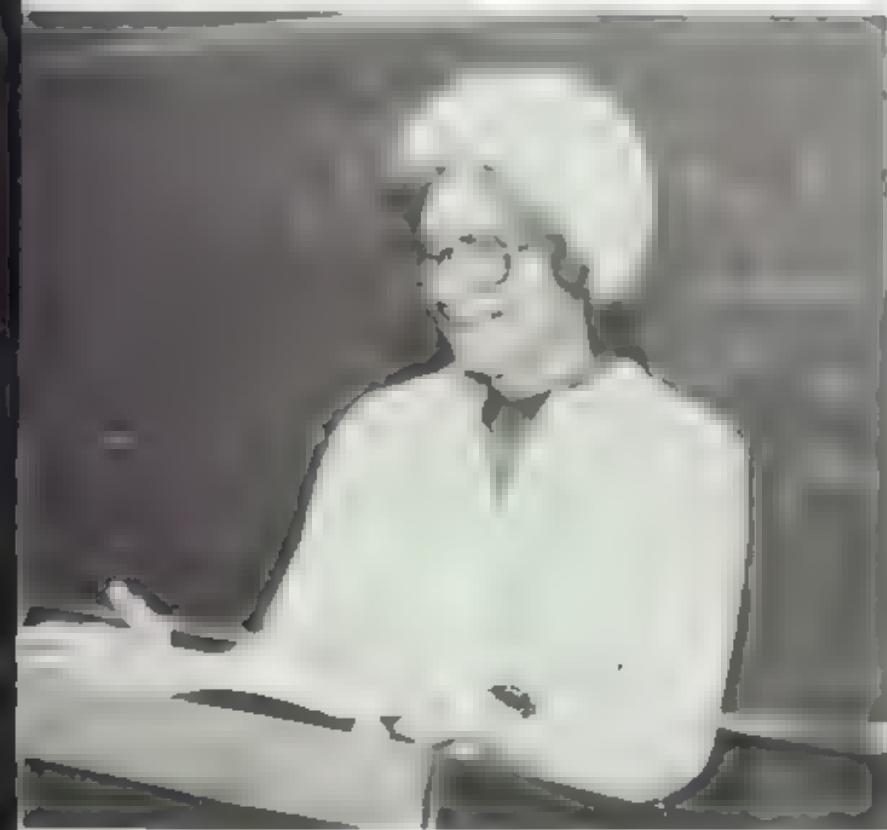

The diverse teachers of this department gave a student a very strong base in the English Language. The freshmen received a general overview in literature, grammar, and vocabulary. Sophomores again studied grammar and vocabulary, but focused on American Literature. English III was characterized by increased writing assignments and readings in British Literature. Finally, all seniors took an Expository Writing class for one semester, and then were able to choose between Future, Modern or Western World Literature for the second semester.

With this broad base and fine departmental staff, students received a strong English background.

Math Department obtains new computers

The presence of two new computers increased even more student interest in Brother Rice's Math Department. The already strong department used these new assets to strengthen the well-balanced, comprehensive program. The strongest point of the department again this year was department chairmen Mr Tony Sincic and the very competent teachers. This competent staff added another incentive for students to take more math than required. Although students are required to take only two years of math, the great majority of students take three or four years. The courses range from simple and advanced algebra to various levels of geometry to pre-calculus to statistics to calculus.

Students gain an ample knowledge of the scientific world through long hours of study and experimentation

The Rice student is sure to receive a broad, if not extensive, background in the sciences. The only required science course, the Integrated Science Program (I.S.P.), which consists of one-third a year of study in Chemistry, Biology, and Physics each is taken by all students as either freshmen or sophomores. The students then can choose to take a full year of any of these courses in sophomore through senior years. Mrs. Susan Jones, department head, was able to keep the department running smoothly.

Rice students with special interests in science took Directed Studies courses in either Organic Chemistry, taught by Dr. John Gerlock, or Anatomy and Physiology, taught by Mr. Michael Popson.

Because of the fine teaching and broad base which Rice students can receive, they are well prepared for college in the area of science

Unique history teachers spur serious inquiry

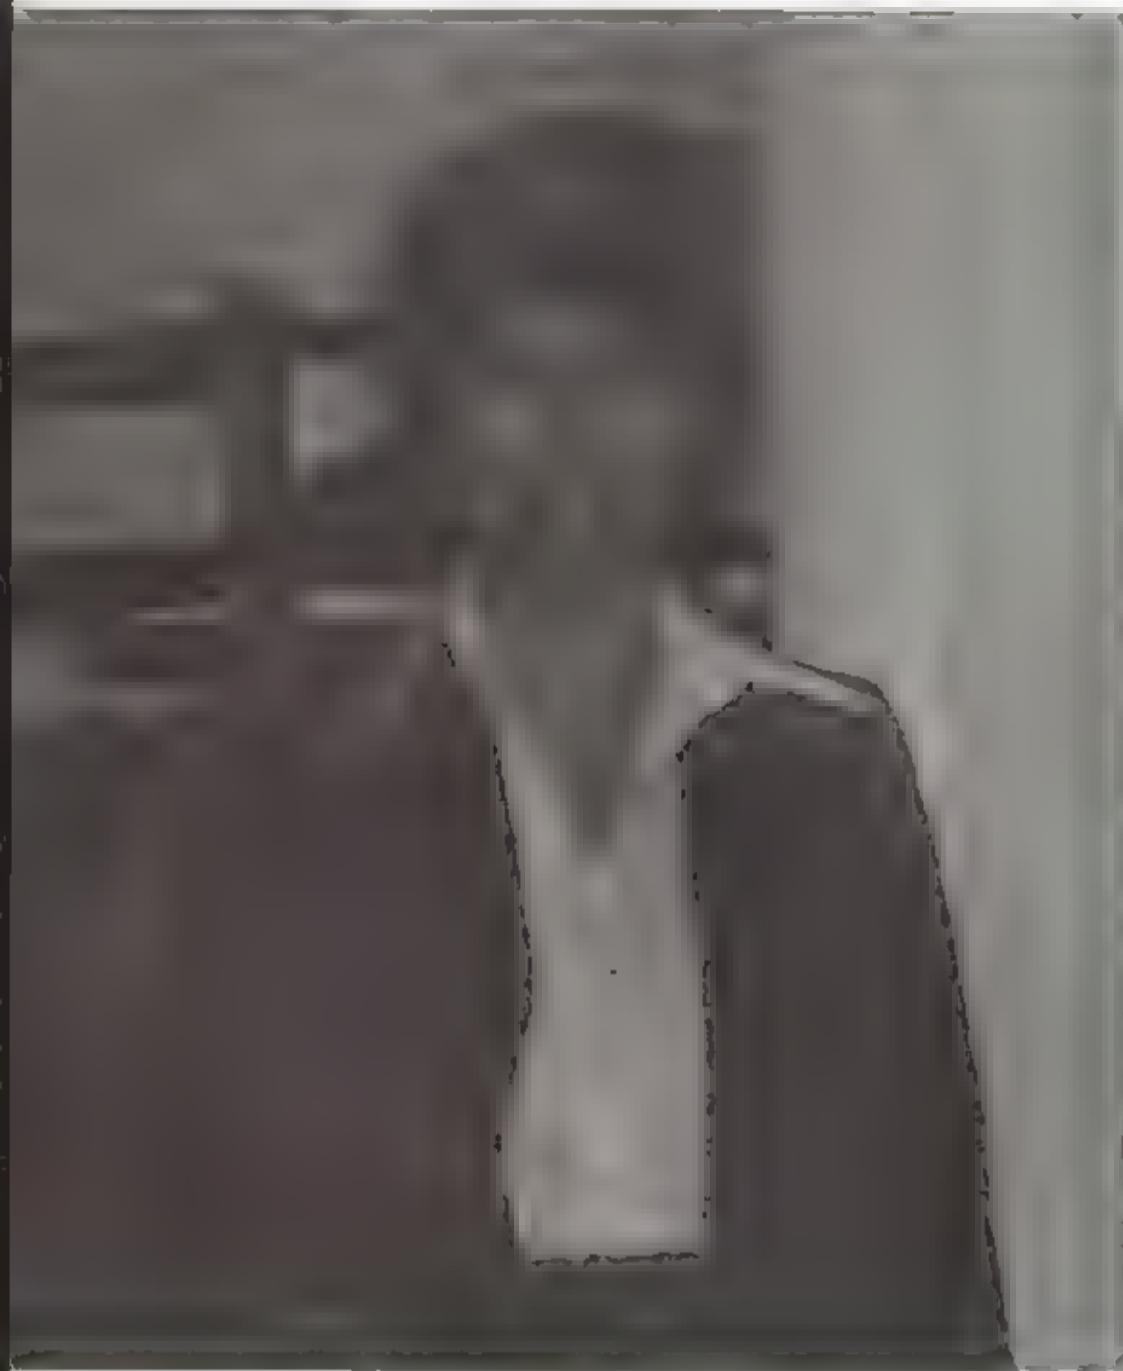

Again in the 1980-81 school year a high number of students took history in their sophomore and senior years although history is only required for the freshmen who studied the history of Western Civilization and the juniors who learned about the period of American history to 1865. At least they were supposed to learn up to 1865, the historical analysis process is very complicated indeed.

No wonder so many students took history as an elective in their sophomore (Twentieth Century History) and senior (U.S. History from 1865) years with the motivation provided by their teachers.

The department worked to spark student interest and inquiry under the direction of long-time department chairman Mr. Gerald Francis "Jerry" Moynahan. Frank discussion in the classroom was common in the junior and senior years.

All of these factors explain why history is one of the most popular subjects at Rice.

The fine teaching and high quality of the language department is equalled only by the importance of the subject matter. Although students do not realize how important foreign languages really are, a highly talented, very versatile staff is always ready to teach them.

The multi-lingual staff, led by chairman Brother Kenneth Wolf, is always ready for anything in either French or Spanish. Although Mrs. Veronica Dewey is the only one to teach both French and Spanish, all the other teachers speak both languages and are often seen conversing in many tongues in the hallway. These teachers include Senor Andre Civil and Br. Daniel Lydon who teach Spanish. Also, Br. J.A. King teaches Latin and Sister Audrey efficiently maintains the language lab.

Although Rice has a fairly rigorous curriculum, students in their junior and senior years usually have time to take an elective or two.

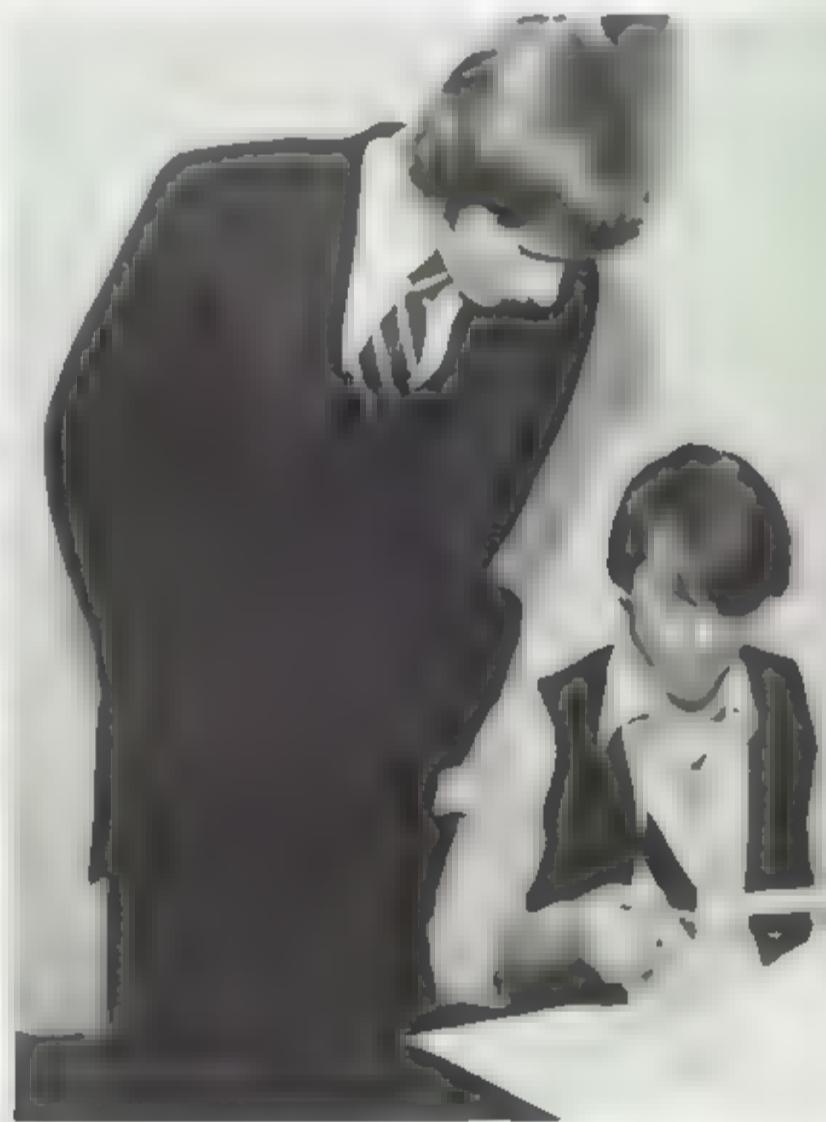

These classes range from business classes to science classes. These electives are all well taught and give the student a chance to branch out from the basic curriculum.

Classes in typing, business management, and personal finance are taught by Mr. McKercher. Mr. Carrico teaches accounting, while Mr. Rademacher handles personal finance, economics, and typing. Mr. Gray teaches a class in anthropology, while Mr. O'Brien and Mr. Dwyer taught psychology. Also, Br. Joyce taught a class in drafting.

While the number of electives are few, the wealth of information students gained from these classes cannot be measured.

Through their first two years at Rice, students face the challenges of physical education class with varying degrees of eagerness

Typical classes this year consisted of calisthenics running, basketball, softball, wrestling and other sports. Whatever the sport, the young athlete was sure to receive adequate if not excellent guidance from the most able of men in the field namely Mr. Bill Norton, Mr. Patrick Simmons, Mr. Frank Carrico, and Mr. Bob Stark.

Rice students show great interest in music

Wide musical knowledge and guidance is given to Rice students by Sr. Maria of Marian. Sr. Maria teaches the choral classes as well as directing the Madrigals, and the advanced choir.

The vastly improved Brother Rice Band, both a marching and concert band, was moderated, directed and taught this year for the second year by Mr. James Zarzycki and Brother Patrick Martin.

Mr. Zarzycki taught the two band classes and music appreciation class while Brother Martin gladly took over the job of moderating the all-girl drill team.

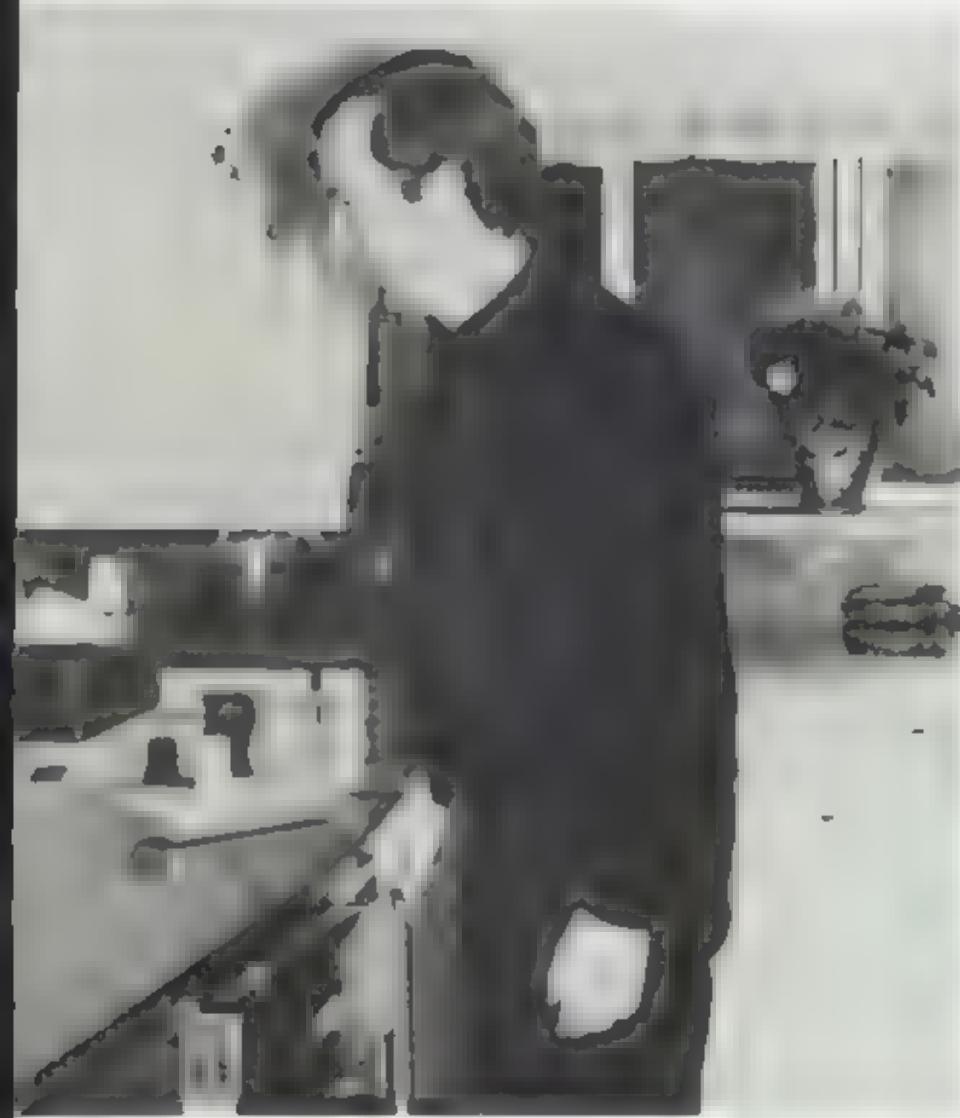

The music department at Rice is very much a joint effort with the music department of Marian.

Above Br. Patrick Martin watches the "ROUSERETTES" to make sure that they are in perfect form. Bottom left Sister Maria Theresa stresses the fact that a good vocal technique is the key to success. Bottom right Mr. Zarzycki looks on with enthusiasm as he sees a future prospect for his band. "The Crystal Blue Orchestra"

Brothers are people too

Dedicated and living a communal life of service and teaching, the brothers still have a private or "home" life.

The brothers' day starts at 6:00 a.m. when they meet for morning prayers, private meditation and mass. The brothers then move their own ways for the day's activities of teaching, coaching and administration. At 5:15 the community meets again for evening prayers. The brothers then eat dinner and break for as many different activities as there are brothers. Before they retire the brothers meet at 9:30 for night prayers. Then, some retire while others may play cards or otherwise relax.

During mods 7-13 many Rice students head for the Rice cafeteria and a low budget lunch. The hot lunches were prepared and served by the competent staff Connie Fortuna, Carol Nara, Audrie Bannasch, Eileen Cummings.

It's often been postulated in jest that there is always somebody in the building. Many would be surprised to find out this is true. The maintenance men work round the clock. Long time chief of maintenance George Lyons suffered a heart attack early in the year but had a fine recovery. Br. Charles Joyce assumed duties as the new chief of maintenance at the beginning of the year. Bill Williamson and Leonard Crafton continued their maintenance duties.

The new custodian during the night and early morning hours was Tony Walbridge

Together this team kept the classrooms clean and the corridors and outside areas in fine order.

If a man has a talent and learns somehow to use the whole of it, he has gloriously succeeded, and won triumph and satisfaction few men ever know

ORGANIZATIONS

Student government leads school functions

The 1980-81 Brother Rice Student Council functioned as one of the most organized and well run ever. Although the council did not institute any major changes, many minor changes took place. The leadership of President Pat Carey, Secretary Hugh O'Donnell, Treasurer Joe Bars and Moderator Br. Robert Koppet was a driving force in this organization, although each and every member did his part.

All the various committees ran extremely well. Field Day came off superbly, the Homecoming Dance was great, Rice-Marian Weekend was one of the best ever, the Intramural program ran smoothly the whole year, and the Blood Drive went well. All the other committees, among them the Calendar Committee, the Pep Club, and Frosh Fun Night also went well.

New events added even more life and spirit. A mock presidential election was held for the first time, a mother-son luncheon took place, a multi-media ski show was presented, and a student Christmas tree was decorated with ornaments symbolic of each activity.

Looking back, it was really a pretty good year and it is hoped that succeeding years can be just as good.

N.H.S. aids Brother Rice community

The St. Thomas Aquinas Chapter of the National Honor Society is constantly being called upon for assistance. Under the guidance and motivation of President John MacManus, Vice-President David Simonelli, First Semester Moderator Br. Karl Berndlmaier, and Second Semester Moderator Mr. George O'Brien, The N.H.S. members were able to aid the Brother Rice Community.

At Christmastime, the members were called upon to sell Christmas trees. The money contributed went toward The Brothers' retirement fund. Throughout the year the members continued to tutor students who were experiencing academic difficulties. When people were needed to give tours and assist at Irish Nite, the N.H.S. members gladly took on the task with much enthusiasm. "Dedication" is the word that describes this year's Aquinas Chapter.

The 1980-81 Debate Team, under the coaching of Mr. Gerald Bluhm, did considerably well despite many setbacks on the Varsity level. The preceding year the team placed second in the state, but with the strongest team members having graduated, the team went through a rebuilding period this year. Early in the year the Varsity team consisted of Juniors John Caraher, Marty Harper, Jeff Nagel, and David Strickfaden. The team that debated at state finals consisted of John Caraher, Marty Harper, and Freshmen Novices Bernie Lourim and Paul Spicer who were promoted to the Varsity level. Despite the inexperience of the team they finished in the top twenty teams in the state.

The Novice team, co-coached by Ms. Linda Martini, did well in various tournaments and in the Detroit Catholic League, where they took third place team. At Novice State Finals the team consisted of Edward Giles, Bernie Lourim, Paul Spicer, and Skip Weber. They placed ninth in the state.

Forensic art thrives

The 1980-81 Forensic Team had a very successful year with the team doing extremely well in many of the tournaments and in the Detroit Catholic Forensic League. At the beginning of the year Jeff Nagel did very well in the extemporaneous category and qualified for the Catholic Nationals in New York City. Marty Harper also did very well in the category of impromptu speaking which is one of the two events that are not part of the National Tournament. The interpretation events were directed by Mrs. Maureen Bluhm and the team also did well in these many varied areas. Since everyone on the team will be back next year, they can look forward to an exceptionally good team next year.

The almost totally rookie staff of the 1981 Quest began working in May, 1980. Guided by Br. Keane, the staff committed itself to producing a book, which would arrive in May.

Br. Keane laid down the rules for the coming year and the new staff struggled with and debated such factors as theme and color all summer. The planning stage finished, serious page design began in September as Editor-in-Chief Ghazwan Shimoun directed his staff with his own special brand of authoritarianism.

Sharing responsibilities with Ghazwan was sports editor Dave Steffy and activities editor Pete Schmidt. Pat Carey took the editorial duties of the faculty section upon himself. The senior and underclass section survived without specific editors. Kevin Condit was the miscellaneous editor taking care of such necessities as opening, index and division pages.

Although the staff moved out of the crowded Quest room into spacious Room 102 to work, the photographers kept their stronghold. Mike Fitzsimmons handled most of the photographic chores in the first half of the year circled by Pat Rich and Pete Crabb. The second half saw the bulk of the work handled by Jim Gillet, Jack Tighe, Pete Mack, Jeff Blechinger and David Sznewajs.

Marty Harper, Gino Graziano, Dave Gach, Bob Eick, Dennis Lynch, Brian Kitz, and Brian Bartkowiak all designed pages while Dave Shenk and Hugh O'Donnell specialized in the lively art of writing copy.

With such a large, dedicated and talented staff like this there was only one possible outcome for Br. Keane, Ghazwan and the 1981 Quest-success.

THE CHIEFTAIN

BROTHER RICE HIGH SCHOOL

BIRMINGHAM, MICHIGAN

The last week of May, 1980 saw a young but experienced group of budding journalists become the editors of the twentieth volume of *The Chieftain* and the paper has never been the same. The nucleus of this *Chieftain* staff were the co-editors-in-chief, Dave Shenk and Larry Leszczynski. At the inception of their reign as editors, the dynamic duo decided on a number of innovations which distinguished the 1980-81 *Chieftain* from that of previous years. The newspaper became a bi-weekly publication, as opposed to the monthly format of previous years, the quality and quantity of the paper's photographs and graphics were vastly improved, and reported news was just that, no longer history. Finally, *The Chieftain's* size was increased from a four-to-six page average to six-to-eight pages. All told, *The Chieftain* became more interesting, relevant, and controversial.

Leszczynski and Shenk's characteristic disregard for organization and deadlines was always replaced by diligence and dedication the night before the paper's

layouts were due at the printers. The support provided by their department editors was usually evident and certainly a contributing factor to the paper's success. The *Chieftain* editors were friends that became a well-meshed staff and putting out the paper for these rogues was more fun than work.

The Opinion Department, edited by Hugh O'Donnell, did as little editing as possible in regards to the expression of student opinion page. The News Department and its editor Pat Carey fulfilled their primary goal, the improvement of student awareness in regards to school events and activities. Feature under editor Brian Bartkowiak, continued offering the popular Student of the Month and Faculty Focus columns along with movie reviews, Jim Staskowski's excellent album and concert reviews, and Pete Schmidt's stylized humorous articles. The Sports Department managed by Phil Ginotti and Brian Kitz improved not only varsity sports but intramural coverage as well.

Mr. Marcel Gagnon returned to lend guidance as moderator and proved a great help to the two co-editors and their staff. Volume twenty was the definitive edition of *The Chieftain*, the best ever.

THIS PAGE Left: The album cover from *The Chieftain* editors chart-buster LP "Never Mind the Sex Pistols, Here's The Chieftain Staff" Right: Dave Shenk and Hugh O'Donnell, intending only to constructively criticize Sports Notebook, seem to have emotionally devastated a tearful Phil Ginotti. BOTTOM CENTER Eager young journalists Leszczynski and Shenk consult their moderator, Mr. Gagnon, only to be told their concept of a Marian girl-of-the-month centerfold in each issue is a little too radical for even *The Chieftain*. OPPOSITE PAGE-Top: The 1980-81 *Chieftain* editors: (l-r) Jack Tighe, Dave McGrath, Brian Kitz, Dave Shenk, Pat Carey, Brian Bartkowiak, and Phil Ginotti (missing: Larry Leszczynski and Hugh O'Donnell). Rice's Marching Band has doubled in one year (last year's band had 44 members, this year's band is 88 strong!). The band started practices early in August, and "early" is the word since 7:15 A.M. found the bright-eyed musicians eagerly awaiting their leader.

The 1980-81 Concert and Marching Band with director, Mr. Zarzycki, and moderator, Brother B.P. Martin, performed splendidly in the Boys' Bowl Game in October and twice in the Pontiac Silverdome.

One of the additions to the band this year was the Rouseretts, Rice's drill team, which performs in unison with the band.

The band put in a considerable amount of hard work and effort this year. Their new uniforms were an added attraction to exemplify the perfection of harmony which they truly achieved. Let's hope they will have continued success!

Choral Singers actively participate in community affairs

The Rice-Marian choral program continued in a strong fashion during the 1980-81 school year. Students actively participated in choral classes and after school singing, proving it to be a tremendous success.

Two choir classes, Advanced Choir and Beginning Choir, were offered for Brother Rice and Marian students. Advanced Choir met every morning during first and second mods, while Beginning Choir met during third and fourth mods. Students looking for more involvement in singing participated in extra-curricular choral groups such as Madrigals and Chamber Choir, which met every Monday afternoon. A new choir, which combined singing with dancing, was added this year. It was called the Show Choir and met after school on Tuesdays.

Sr. Maria, the choral director for the last two years, kept her students very active. During the Christmas season, besides performing the usual concert, various singers put on shows at convalescent homes. The Chamber Choir sang at the state championship football game while Sr. Maria sang the National Anthem at all basketball games.

Arsenic and Old Lace is a real killer

A very young cast of the Rice - Marian players consisting of nine underclassmen and five seniors, successfully presented "Arsenic and Old Lace," on November 21-23 in the Marian gymnasium.

This light-hearted comedy is set in early 1940's Brooklyn and revolves around the Brewster family. The family is made up by Aunt Abby, Aunt Martha, Mortimer, Johnathon and Teddy. The main plot of the drama was concerned with the poisoning of old men by Abby and Martha as their "charity." When the body of one of their gentlemen friends is found by Mortimer, he tries, with little co-operation, to establish some sort of a defense for his aunts.

The play was very professionally directed by Brother Daniel Casey, C.F.C., and produced by Mrs. Luise Smela. The assistant director was Rice senior Jeff Burt while set decorations were handled by Mrs. Barbara Jones. The beautiful, very real looking set was constructed by a stage crew consisting of 13 Marian students and 5 Rice students.

On March 26, 27, 28, "My Fair Lady" was presented. This play was again directed by Brother Casey and produced by Mrs. Smela. The stage was constructed under the direction of Mr. Guy Morel.

Pep Club amplifies school spirit

"Spirit" is the word to describe the 1980-81 Pep Club. The Rice Cheerleaders, Rouseretts and Pep Band are all members of the Pep Club. The Cheerleaders are the voice of the club and shout such cheers as "R-I-C-E — Go — RICE!!". Rice's Drill Team, the Rouseretts, are seen dancing on the field during half-time. Their highly choreographed steps include such tunes as "Another One Bites the Dust" and "Grand Old Flag." The Pep Band and Marching Band are the musicians of the club and create an exciting and energized atmosphere for all. The spirited club appeared at all football games and always kept the crowd fired up!

Not even blizzards can keep our loyal Mothers' Club from giving aid to Rice

Four inches lay on the ground, five more were on the way, yet the 1981 Mothers' Club made it through. Their destination? The first annual Mother-Son luncheon, just one of their many successes. Under the leadership of Mrs. Ginny Bergmann, the Mothers' Club sponsored the St. Patrick's Day Luncheon, Irish Night, and several other activities with entertainment, scholarship money, and school improvements in mind.

Through their unselfish efforts, Brother Rice became a better place for students and faculty alike.

The Dads' Club provides much needed funds and services for Brother Rice

Be they dressed in vibrant orange, Irish green, or their Sunday best, the members of the 1981 Dads' Club were always there, giving their valuable time for the good of Brother Rice. At football, basketball and hockey games, they donned their orange coats and went to work directing traffic, selling tickets, and keeping order amongst the spirited crowds. When the need for finances arose, the Dads' Club took a major part in the success of the Irish Night Auction. And, in the true Christian Spirit of Brother Rice, they took time one Sunday morning to enjoy a communion breakfast with their sons.

Thanks to them, Brother Rice was able to meet its evergrowing physical and financial needs.

Memory Bank grows through large grants

The 1981 Memory Bank, Brother Rice's own computer club, was moderated by Mr. Tony Sincic. In addition to permitting open computer gaming, the computer club allowed students to work on their programs after school when there was time to experiment with them. The Memory Bank is one of the fastest growing clubs in school, and it will continue to flourish thanks to a \$25,000 grant to purchase eight new computers and to update the older TRS-80s. With this grant, the Memory Bank Computer Program will surely continue to meet Brother Rice's evergrowing computer needs.

Chess Club strategists hold opponents in check

The Chess Club, under the supervision of Mr. Paul Gray, was a haven for all chess enthusiasts at Brother Rice. At each weekly meeting, chess clubbers engaged in fierce competitions to determine the best player. These competitions, which continued from week to week, also served to sharpen strategic skills and prepare the five man chess team for battles with opponents from other schools.

Intramural Football lets students participate in friendly competition

The Intramural Football season started a little late this year because of an all new crew running the show. Despite the late start the season was a smashing success and the final games were played before Thanksgiving.

"A" League saw a hard fought season and CMC captained by Pat Conroy eventually triumphed over Steve Moss' Danger Zone in the 6-0 championship game. The "A" League MVP was Paul Dylewski.

Paul's brother, Gary was the "B" League MVP and a member of the champion team The Doors captained by Tom Rownd.

A large "C" League fought tooth and nail for the title and The Dead Leaves emerge victorious. The "C" League MVP was Mike Rogers.

successful season*

Im B-Ball successful

The largest and most popular intramural sport, IM basketball, enjoyed its largest season ever with nearly half the student body and a faculty team participating. The amateur hoopsters gathered every night of the week and on the weekends too. Large numbers of knowledgeable referees had to be recruited as did scorekeepers. Despite problems with obtaining referees, scorekeepers and court time, and the large number of teams participating, play went on regularly and without major difficulty.

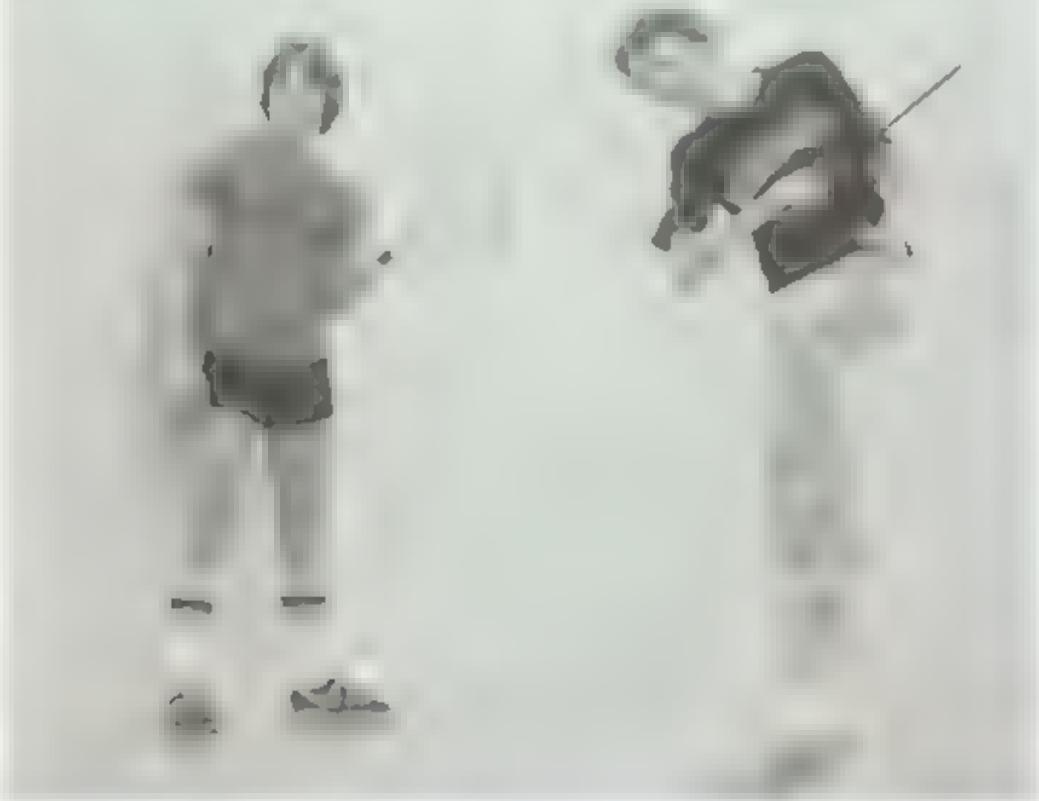

The 1980-81 winter saw one of the most successful intramural volleyball programs in Rice history. The organizers (Br. Lydon, Hugh O'Donnell and Brian Bartkowiak) and the intramuralers overcame numerous problems such as the lack of a net of our own and the scarcity of gym time to wage a competitive season.

Racquetball helps students to stay in shape

Racquetball was extremely popular at Brother Rice this year. There were four sessions, and in each session, there were about twenty-six teams. The players came from all classes, and several teachers played in the league as well. The games took place at the Oakland Racket Club, and ran for six weeks each session. In each and every game, all players were guaranteed a great amount of fun as well as some healthy exercise. And in joining several sessions, several students were able to stay fit during the winter months.

Intramural bowlers roll for high scores

Intramural bowling is a sport that has grown considerably at either Rice during the past several years. This year, it was more popular than ever before with twelve teams consisting of four players each. Intramural bowling took place from fall to spring, but consisted of only one session. Every Friday during this time, Mr. Grosso took the bowlers over to Birmingham Bowl, where students enjoyed competition and exercise. Trophies were awarded to the three best teams at the end of the season.

FRESHMEN

As usual a large crowd of eighth graders from all areas of the Archdiocese of Detroit applied for admission to Brother Rice in December, 1979. And, as in previous years those admitted were a very select crowd. Out of the over seven hundred eighth graders who applied for admission from the principle feeder parishes of St. Hugo's, St. Regis and Holy Name and those as far away as Milford, Utica and Detroit, only two hundred and seventy two were finally chosen as the class of 1984.

On August 25, 1980 they officially became Brother Rice freshmen, showing the usual Brother Rice promise. They continued to demonstrate enthusiasm, spirit and determination throughout the year. Their efforts in the magazine sale proved fruitful and they carried this ability to succeed to nearly all facets of frosh life.

These newest entries into the Rice family was moderated by Br. Daniel Lydon, who coordinated them and their innovative frosh forum, consisting solely of volunteers who held no offices. With this novel form of organization, they were able to successfully accomplish numerous endeavors including a strong finish at Field Day '80.

The freshmen exhibited involvement in nearly every facet of Rice. From the athletic program to publications to drama, the frosh verified the faith the administration had placed in their individual quality, collective ability and future successes.

SOPHOMORES

Sophomores continue their unique success at Rice

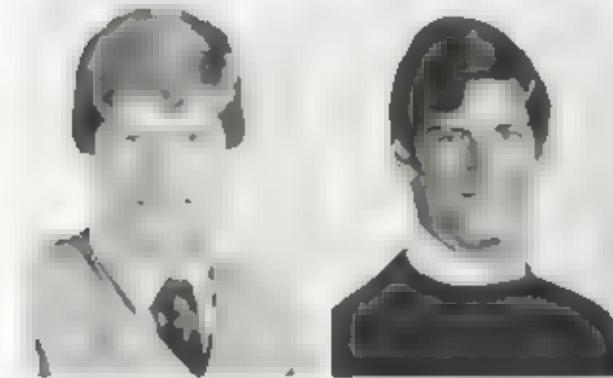

• **SOPHOMORE CLASS OFFICERS** Chris Cagney, Tom Doyle, Matt Chiodo, Moderator Brother Casey and Wally Schwartz

The sophomore class led by dependable, loyal, and efficient officers and student council members was a very enthusiastic bunch. Their lively spirit begun last year continued to develop this year as they sponsored a ski trip and a Bluegrass music contest in February. Earlier this year Brother Casey, the class moderator, mentioned that the sophomores sponsor money making events not only for the benefit of the treasury but for the enjoyment of the student body as well.

Many of this year's sophomores participated in the intramural sports program especially in football and basketball. Some of the more popular sophomore courses this year were a second year of a foreign language, Algebra II, Integrated Science, World History in the Twentieth Century, and physical education and Theology II.

Class of '82 matures during their junior year

1980-81 Junior Class officers Front row: Moderator Br. Brouillette, Vice president Pat Cogan, Treasurer David Strickfaden. Back row: Secretary David Simonelli, President Greg Abowd

The class of 1982 emerged in the fall of 1980 as a unified force. This was most evident during the field day events where the Juniors took first place in the float and banner competitions and challenged the Seniors in the overall tabulations.

Under the direction of the class moderator, Brother Brouillette, the junior class ran another successful magazine sale and ended up with more money to add to their already abundant bank account.

After two years of "learning the ropes" the class officers took a very active part in the organizing and the running of many of the school's activities.

With all of these successes due to the class unification, the class of 1982 has taken another step toward maturity.

SPORTS

Consider for a moment what we achieve from athletics: the sheer fun of playing, the building of a healthy and alert mind, stamina, courage, unselfishness, and most important, perhaps, the will to win.

Linksters capture Catholic League crown

The young but determined members of the golf team continued the Rice tradition by having a very successful season. Under the fine guidance of Coach Jim Rademacher the linksters captured a playoff victory against Bishop Gallagher and Catholic Central for the central division title. Led by George Keenan, the league medalist, the Warriors finished first in the Catholic League Tournament.

Following that impressive victory, the linksters went into the regional tournament hoping to qualify for the state tournament, however, they finished a disappointing sixth and failed to qualify. This was the first time in seven years that the team did not qualify for states. The team's finish in the Oakland County tournament was respectable, at tenth, but below what was expected. In the Bedford Invitational the golfers finished twelfth out of a twenty-eight team field. Leading the team this year was Pat Chisholm, who lived up to his number-one position. He received All-League, All-Catholic, All-Area, and All-State honors. Other key players were George Keenan, who gained All-League and All-Catholic honors, and John Codere, who received All-League Honors.

Rice's newest sport fulfills Warrior's fighting tradition

Soccer began this year under adverse conditions. Circumstances pointed toward a disastrous season. The team was picked in two days, time limited practice before the game to two days, and the coach, Mr. Corej, had no previous experience.

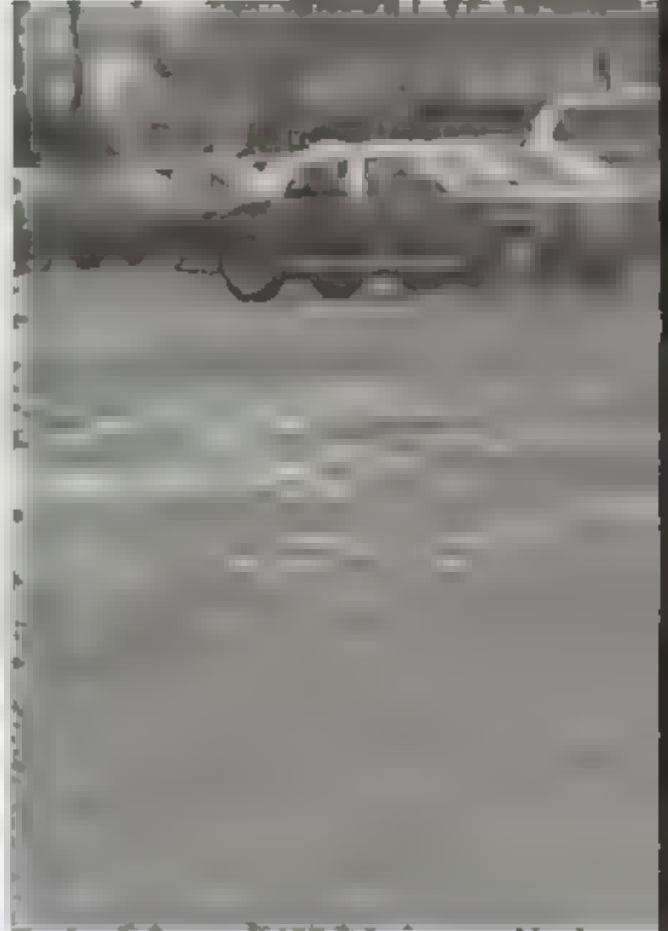

To overcome these obvious limitations, Coach Corej stressed strong conditioning in his players. On account of the team's hustle and high spirited play, and due to the intense practice sessions, they beat a more experienced Bishop Gallagher squad 2-1 to win their opener. This win enabled the Warriors to finish third in a Catholic League tournament.

Outside of league play, the team surprised many opponents. Though it did not defeat any of these more mature squads, the team considered the 11 tie with league power Catholic Central an "emotional" win.

The Junior Varsity team also looked very promising. Their 5-2 record was very respectable, especially since their opponents were more experienced. Leading the team in offense were Sean Mullen, Eric Liposki, and Tony Sosa. At the half back position were Peter Cuffe, John Lucier, Oscar Labiano-Abello, and Mike Regala. Harold Greisser, David Rich, Bill O'Brien and Brian Dilworth provided a strong defense. In the goal were Dave Giacomin and Chris Lievois. The J.V. team was also coached by Mr. Corej.

STATE CHAMPS

From the first game on September 6th versus Lakeview High, the fans knew it was another good team this year in the 1980 Brother Rice Varsity Football team. Nobody realized how good as the team rolled on to a 12-0 record, the Class A State Championship, a new offensive record of 345 points scored and, needless to say, one of the best Brother Rice teams in history.

It was the second State Championship team in four years for Coach Fracassa. The key games of the year were the Catholic Central Boys' Bowl, the DeLaSalle Catholic League Championship, the Sterling Heights Stevenson State Championship quarter-final and the Dearborn Fordson State Championship games. The team has been described by its members with a few words: unified, family, camraderie, determination, desire, dedication and discipline.

The team destroyed their first four opponents (Lakeview, Grosse Pointe North, Mount Clemens and Bishop Gallagher) in preparation for the annual Homecoming game, the Boys' Bowl versus Catholic Central at Wisner Stadium in Pontiac. The players, the coaches, the students and all those connected with the team were anticipating this game with more nervousness than past years, especially since C.C. was the 1979 State Champs. The Warriors led 21-7 going into the fourth quarter but C.C. staged a comeback closing to within one touchdown but the Warriors prevailed 24-14. The most exciting play of the game was Brad Cochran's 90 yard kick-off return for a touchdown that warmed up the crowd in the usual seasonably cold October weather.

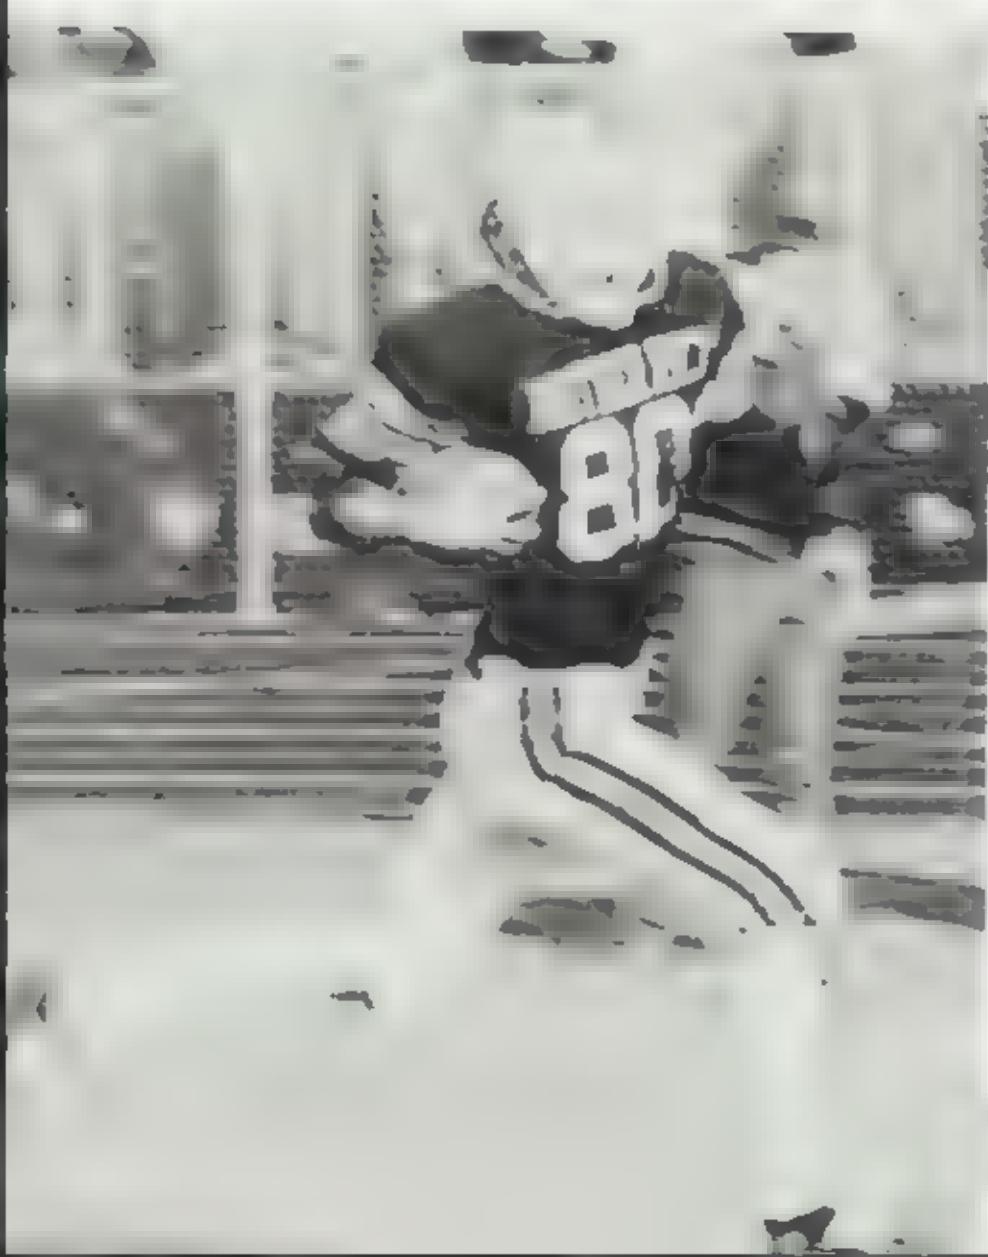

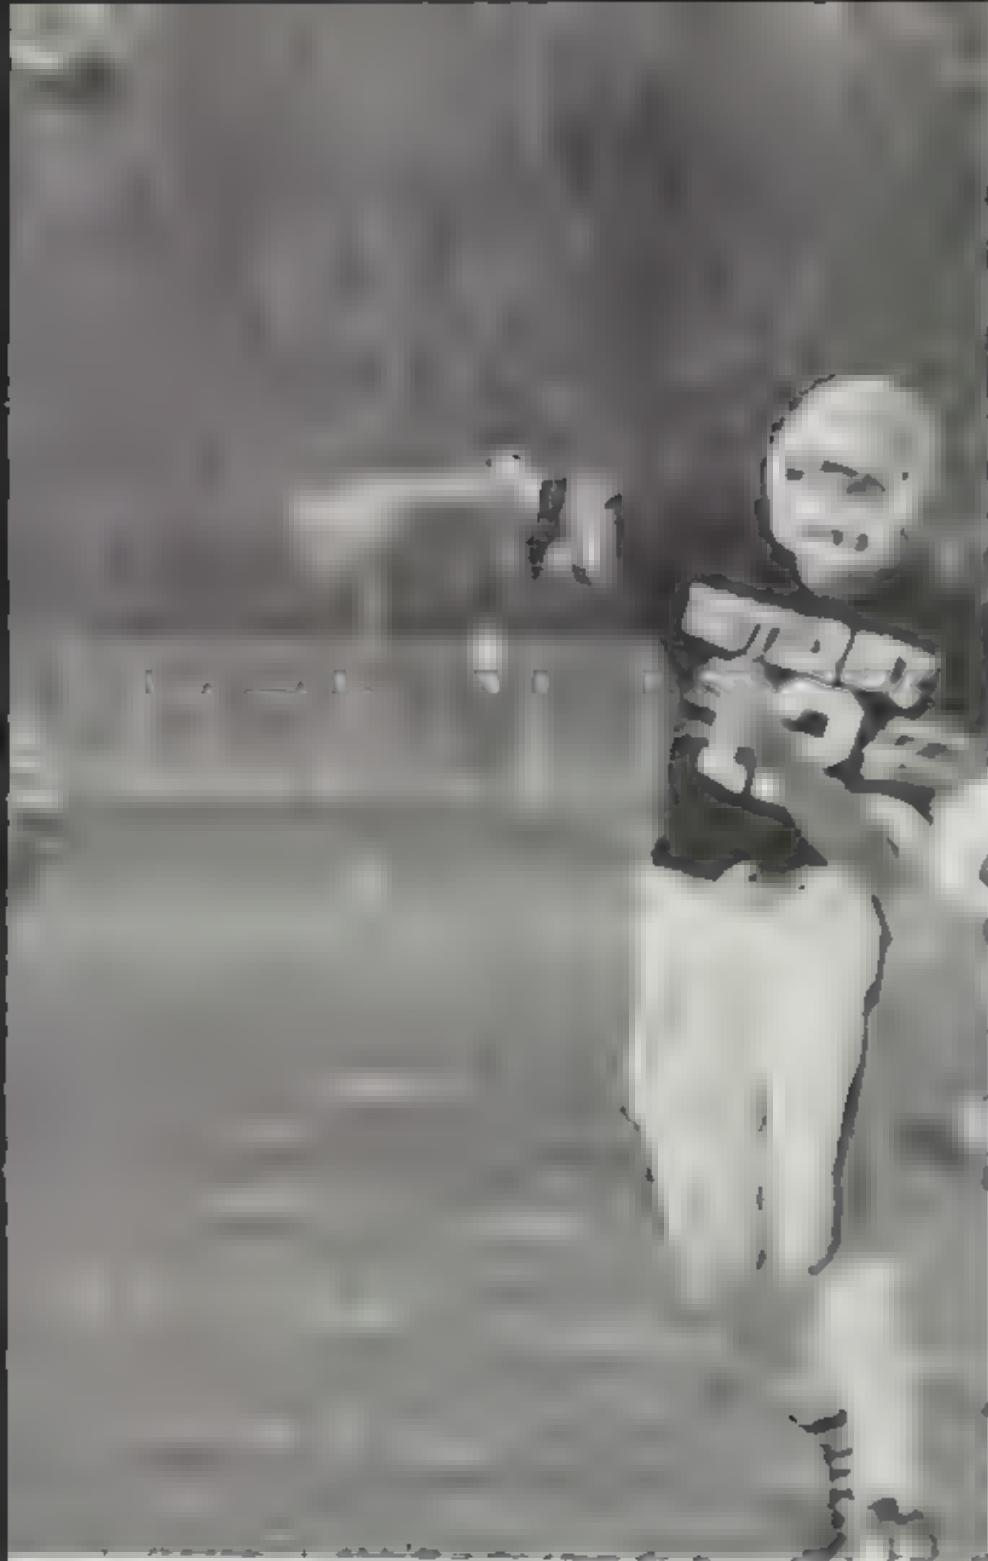

During the next three games the Warriors overpowered Bishop Borgess, U.D. High and Notre Dame but not without cost. All-Catholic Defense Tackle Joe Bars suffered a severe knee injury in the U.D. game that put him out for the season. Rather than fall apart in dejection, the Warriors rejuvenated with a "want to" attitude and ended in with their excellent reserves as they did all year. Only DeLaSalle stood in the way of the Warriors capturing another Catholic League title at the Prep Bowl. On November 1st the squad travelled north to the Silverdome to face the Pilots and ended up beating them 27-3 despite falling behind 3-0 for the only time in the season. Quarterback Dave Yarema had a fine day hitting 11 out of 18 passes and Brad Cochran scored three touchdowns.

The state play-offs lay ahead and the computer matched Rice and Sterling Heights Stevenson at Birmingham Groves in the first round action. In what was described as a good team game, the Warriors beat Stevenson 25-13. The final score doesn't reveal how close the game was as it was 13-9 in the third quarter. Next was Detroit Central. They proved no problem as everybody played in crushing 49-12 defeat. Dave Yarema passed for four touchdowns in the game. Only one game and one team was in the way of the State Championship. So on November 29th the Warriors went to the Dome again this time to play Dearborn Fordson before 27,000 people. The Warriors' offense was temporarily stunted by Fordson and an obvious incorrect call by the referees. Late in the first half, Coach Fracassa called the bounce pass play that worked against Cincinnati Moeller. It worked again as Paul Jokisch hit Steve Allen all alone in the endzone. The referees did not realize what had transpired and called the play dead. All State Quarterback Dave Yarema finally connected with Paul Jokisch in the fourth quarter and Paul highstepped it 18 yards to the endzone. The tenuous lead was held by the defense who made big plays all day especially Fred Konkel who recovered a key fumble and John Maher who intercepted a pass late in the fourth quarter. When the gun sounded, the 1980 Brother Rice Varsity Football Team had become State Champs again by a 6-0 margin. The effort was truly a team effort all season long. In five out of eight regular season games everybody played. All season long Dave Yarema, if not running himself, connected with his receivers Steve Allen, Paul Jokisch and Brad Cochran or handed off to his backs especially Mike Neff. The most visible players were backed up by the Fat Kids of the offensive line: Greg Kaiser, Jeff Konkle, Chris Neihaus, Mike Welage, Fred Morrison, Dave Viar and Tom MacLean. The defense was led by linemen Greg Dingens, Joe Bars and Fred Konkel, linebackers Timmy MacLean and John Maher and backs Bruce Wilberding, Jim Ostrowski and Brad Cochran. An outstanding job was done by the special teams especially Dave Ebbing. The 1980 Varsity Football Team added another source of pride not only to the 63 players, seven managers, trainers, statistician and three coaches, but also to the entire Brother Rice Community of Faith.

J.V. show promise

The 1980 junior varsity football team coached by Mr. Krawczyk, Mr. Brodley, and Brother Brouillette finished second in their league with a record of seven wins and two losses. The team proved to be a fine one and many of their games proved very exciting. The coaches were very competent and the players truly dedicated to their team. The team's best offensive player, Bob Giroux was the first J.V. player ever to gain 1000 yards. The offense itself proved to be the best the team had in many years. John Manza and Tim Kennedy were the J.V.'s outstanding defensive players.

Last minute defeats cost frosh championship

Usually a 4-2-1 record means an average season for a football squad. This freshman team had such a record but it was far from average. The year began on a sour note losing to DeLaSalle 6-0, tying Catholic Central 0-0, and losing to Notre Dame 12-8. The team finished the season with four victories highlighted by the Bishop Borgess and the Troy Athens games. The frosh were led by three captains Dan Roche, Mike Fetzer, Paul Ryder and standouts Matt Dingens, Dave Cowden, Dave Zimmerman, Mark Barron, and others.

100th Career victory caps successful harrier season

1980 will be a year that all harriers will remember. When the 1980 Brother Rice Cross Country team defeated De LaSalle in the final dual meet of yet another unbeaten season, they achieved their one-hundredth career victory. The harriers also won the usual assortment of championships: Central Division, Oakland County, Catholic League, and State Regional. The season ended with a somewhat disappointing but still strong sixth place showing in the state finals.

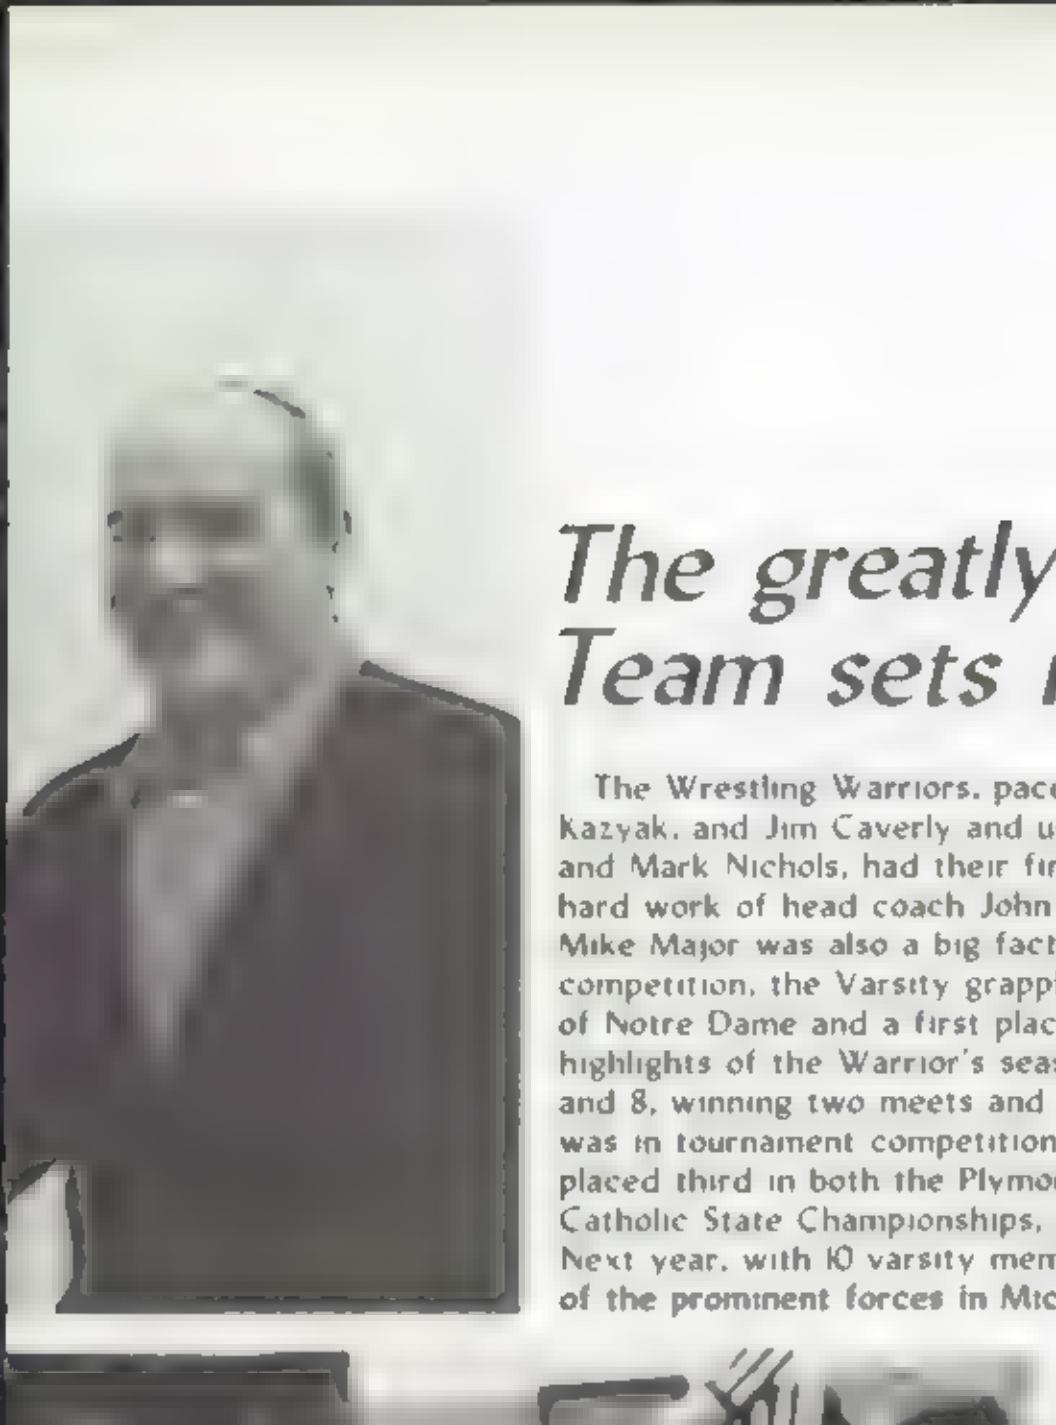

Leading the team were senior Tim Sullivan and sophomore Joe Davey, both of whom achieved All Central Division, All Catholic, All County, and All Regional Honors. Senior Mike Schafer and junior Chris Dorcey also contributed greatly to the team's success. Once again, the man behind the scenes was Bob Stark. This time, however, he received competent assistance from Brother D. J. Haas. The combined expert coaching ability which these two men possessed was definitely a major reason for the team's winning season. Certainly, the 1980 Harriers were a team that all Brother Rice students will be proud to call their own.

The greatly matured Wrestling Team sets new records

The Wrestling Warriors, paced by senior captains Jerome Malczewski, Dave Kazyak, and Jim Caverly and underclass standouts Pete Cuffe, Dreux Nelson, and Mark Nichols, had their finest season in the team's three year history. The hard work of head coach John V. Major and assistant coaches Bill Dushane and Mike Major was also a big factor in the success of this year's squad. In dual meet competition, the Varsity grapplers posted an 11 and 6 record. A 45 to 19 trouncing of Notre Dame and a first place finish in the Flint Hamady Quad were the highlights of the Warrior's season. The B team compiled an over-all record of 10 and 8, winning two meets and losing two against other schools' varsity squads. It was in tournament competition, though, that the mat men really shined. They placed third in both the Plymouth-Canton and Warrior Invitations, second in the Catholic State Championships, and first in the Birmingham-Bloomfield Tournament. Next year, with 10 varsity members returning, the Warrior mat men should be one of the prominent forces in Michigan wrestling.

Strong leadership and mature talent lead to best season ever

The 1980-81 Warrior icemen compiled the best win-loss record ever for a Rice hockey team with twenty-one wins, five losses and one tie. They finished second, the highest ever, in their division and were ranked one of the top teams in the state throughout the season. The season ended in a 6-2 loss against Alpena in State semi-final action.

The successful season was due in most part to depth and maturity. Captains Mike Distel, Jeff Triest, and Jim Nagy were but three of the many players who displayed outstanding leadership and moral support. Brother Michael Segvich, head coach, was voted Coach of the Year for the Blue Division.

One of the strongest aspects of this year's team was the entire defense led by All-Leaguers John Walsh and Jim Nagy with the help of Tom Forrest, Jeff Triest and Bill Ronzi. Goalie Alex Sosa, another All-Leaguer, was described by Coach Segvich as the cog in the defense. Kerry Kennedy, yet another member of the All-League team, led the team in scoring followed by Mike Carter.

The highlights included a 3-1 victory over Ann Arbor Pioneer and a 5-4 victory over rival C.C. in which the last two goals were scored in the last twenty seconds. The most satisfying victory was a 4-2 win over Fraser, the first Rice win over Fraser in six years.

The J.V. team finished with a 16-4-2 overall record, which was the best in the league, under the direction of Coach Frank Corej. Dave Giacomin and Paul Zwirkoski captained the balanced Rice squad.

The 1980-1981 Varsity Basketball season was full of victories and excitement. The victories were many, twenty-two in all, and the excitement was nearly omnipresent. A total of seven games were won by less than three points. Three of the games went into one overtime to find a victory and a fourth needed five.

Throughout the season, the Warriors were led by three players. Les Daggs, Paul Jokisch, and John Shasky. Les was a third team All-Catholic guard, Paul was a first team All-Catholic forward and a second team All-Stater, and John was the intimidating six foot-ten inch center. Seniors Mark Callahan and Pier DalSanto added experience to complement the inspired play of juniors Rodney Brown, Greg Dingens, Dennis Kozak, and Dave Yarema.

The Warriors opened the season with a seven game winning streak before being humbled by an emotionally high Catholic Central squad. Never giving up, the team regrouped and put together another seven game winning streak. Included in this streak were a one point overtime victory at Notre Dame, a two point triumph in five overtimes at Bishop Gallagher, and a two point revenge over Catholic Central.

By now, the Warriors clinched a berth in the Catholic League Playoffs so the loss to De La Salle was meaningless. After an easy opening round victory over DePorres, the team had to play eventual Class D State

Champion East Catholic. In another overtime thriller, Brother Rice defeated East Catholic by two points to reach the finals against U. of D. The Warriors again won in overtime and earned the right to play Detroit Southwestern for the City Championship. Mostly due to circumstances beyond their control, the Warriors lost the game and the City Championship.

In the State Playoffs, this junior-oriented team went further than any Brother Rice team since the Kevin Smith-Magic Johnson clash four years ago. Like last year's team, this team won the District and Regional Championships. Both championships were won rather easily as no outstanding teams other than Brother Rice were present. Unlike last year's team, the Warriors won their quarter-final game. Despite not playing their best, the team beat Utica Ford by four points. This victory earned them the right to play eventual Class A State Champion Flint Central led by All-American Eric Turner. The Warriors needed to play their best in order to win the game at Jenison Field House. Though playing very well, the team still lost, again partially due to circumstances beyond their control. After that game, a truly remarkable season came to an end. A season with many ups and few downs. A season with many great plays by all teams. A season that all Brother Rice students were glad to be a part of-a winning one.

In a form similar to the Varsity team, the Junior Varsity Basketball Team used great finesse in out-playing the opposition. The J.V. team got the crowd ready for the Varsity game by exhibiting what winning is all about. Under the direction of Coaches Franques and Haezebrouck, in their first year of coaching at Rice, the J.V. Warriors could practically do no wrong. Dan Hermes, Jeff Kohler, Brian McGorisk, John Henry, and Kern Smith were the usual starters and were always backed-up with a strong bench.

Frosh team looks awesome

The Freshmen Basketball Team, just like the Varsity and Junior Varsity teams, had a fine season. The team combined height and speed to dominate their opponents. Under the expert guidance of Brother Robert Brouillette the frosh finished on top of the Central Division with a 9-1 record. Over all their record was 15-4. Leading the team were Captain Andy Kolp, Roy Sollestrem, Matt Dingens, Ken Israel, Dave Jokisch, and Mike Flynn. Look for these players to lead the Warriors in upcoming years.

Swimming team is one of the best in the state

The 1980-81 Brother Rice Swimming Team continued its tradition of being a perennial state power. Despite being led by mainly underclassmen and experiencing difficulties in finding a pool in which to swim, the team performed in a typical Rice, winning manner.

Good things were expected from this team as it was highly ranked in preseason state polls. However, Coach George O'Brien's Water Wonder Warriors had to fight obstacles in finding a pool in which to practice. The Warriors learned to budget their time and beat some very fine teams. In the Oakland County Championships the team had their finest hour as they finished first. As the season wended down the swimmers tied a highly touted Grosse Pointe South squad, but suffered a tough loss to C.C. In the Catholic League Meet the Warriors finished second to C.C. For the State meet nine Rice men qualified, Rich and Rob Kramer, Rob Papp, Rob Mackle, Kurt Maczel, Joe Fitzgerald, Mark Lyle, Kevin McJoynt, and Dixon Kane. The Warriors swam strongly with Rob Mackle finishing first in the 500 Freestyle and third in the 200 Freestyle, Rich Kramer taking third in the 500 Freestyle, and the 400 Freestyle Relay Team finishing fourth. Overall the team finished in sixth place.

Track season capped by fine performances

Blessed with considerable talent, the 1980 track team achieved a 7-0 dual meet record. Included in this was a 5-0 league dual meet record which earned the team the Central Division Championship. The team also experienced notable success in the relay meets, taking third in the Ashley Relays, first in its own Brother Rice Relays, first in the Lahser Relays, and first in the Ambrose Relays. In the more prestigious meets, the team once again achieved excellence. The team gathered the Catholic League A-B Division Championship, the State Regional Championship, a second in the Oakland County meet, and a fifth in the State Finals. Other highlights included a dual meet victory over local standout Lahser and a last race victory over arch-rival Catholic Central.

Responsible for this success were the individual performances of many hard-working, talented athletes and the exceptional coaching of Head Coach Michael Popson and Assistant Coaches Robert Stark and Michael Segvich. Seniors Jim Browne and Mike Greenwell and juniors Tim Sullivan and John MacManus led the teams as captains. Outstanding school records were set by Jim Browne in the discus (18'9") and shot put (60'3½"), Brad Cochran in the 440 (49.5) and 220 (22.3), and the 440 relay team of Mike Neff, Brian Brennan, Mike Greenwell, and John Cunningham (44.3). Browne was undefeated the entire year in the shot put and discus and also won both events in the State Finals. He set a state record of 176'1" in the discus. Cochran also earned All-State honors by placing third in the 440. Freshman Joe Davey set a freshman record in the two mile (9.45.4). The graduated seniors who provided many brilliant performances and good leadership were: Jim Browne, Ralph Carolin, John Cunningham, Brian Brennan, Chris Yaw, Mike Greenwell, Emil Nagengast, Bob Fallon, Bob O'Donnell, Greg Swan, and Steve Abowd.

Warriors struggle through rebuilding year

The 1980 varsity baseball team finished with a disappointing overall record of 13-17, and placed third in league play with a 5-7 record. This was partially due to the lack of experience. Seven of the twenty players were seniors and only two were returning lettermen.

Regardless, many individuals excelled on the playing field last year. John Codere, Jeff Setteceri, the Brian Gromek award winner, and Pat McGann received All-Area honors. The fine defensive play and .333 batting average of Tim MacLean earned him a birth on the All-Area second team. Jeff Setteceri paced the team in hits while batting .341.

The pitching staff was built primarily on the arms of sophomores John Codere and Paul Jokisch, each of whom started seven and eight games respectively. The future looks bright based upon the strong performances of these two young pitchers. Senior Al Kochanski also was a fine pitcher and overall player with a 4-3 win-loss record and .404 batting average.

Coaches Al Fracassa and Ron Kalczynski were not happy with the season's record but could not be disappointed with the players because of their positive attitudes and tremendous efforts. It should be noted that a rebuilding year like the one faced by the Warriors usually does not produce a winning season.

Under the direction of Coach Dave Kozlowski, the J.V. team finished second in the league with a 7-5 record and overall with a record of 10-8. Dave Collins, Dave Higgins, Chris Clagne, and Alex Sosa played in all eighteen games.

2nd place finish in state caps outstanding year

1980 proved to be one of the most successful seasons ever for the Brother Rice Netters, who concluded their year with fifteen wins and only one loss. Under the knowledgeable guidance of Coach Don McKercher, the skillful netters finished the season as Central Division Champions, Catholic League Champions, State Regional Champions, and State Class A Runner-Up. In the State Finals, the netters finished with nineteen points while Ann Arbor Huron ended up only one point ahead with twenty. They also took third place at the Grosse Pointe University Liggett Tournament, second place at the Holly Invitational Tournament, and first place at the Port Huron Invitational Tournament.

Numerous hours of diligent practice molded the individual team members into a coherent striking unit. The team was lead by senior co-captains Terry Beale and Bill Harahan. Bill was probably the best player on the team and played first singles while Terry played second singles. Freshman Eric Hoffey played third singles and senior Tom Nachelor fourth. The first doubles team was made up of senior Charlie Dunn and junior Paul Dylewski. Juniors Pier Dalsanto and Chris Forte comprised the second doubles team while senior Mark Taylor and freshman Dave Barrett played third doubles. Finally, senior Mark Dylewski and junior Steve Moss rounded out the team playing fourth doubles.

Senior class exits with class

In keeping with their Field Day motto, the Seniors remained "Proud as a Peacock" throughout their final year at Rice. This pride was carried over into every aspect of the Class of '81, at and outside Rice. As seniors, they exhibited the maturity and leadership traditionally expected of upperclassmen, a scant three years after they had entered Brother Rice as immature frosh.

The class demonstrated strong unity from the start of the year as they secured the first place Field Day title, a reward they nearly captured in their Junior year. Experienced leadership from their class officers enabled the Senior class to emerge triumphant from numerous endeavors. Tim Noonan was president and Dave Slocum was vice-president as they had been for four years but there was a new class secretary, Dave Juneau, and treasurer, Kevin Barry.

Academically, the class of 1981 upheld the Rice tradition of excellence with seven National Merit scholars and seven more receiving National Merit Letters of Commendation, four Michigan Mathematics Prize competitors, several Scholastic Writing Award recipients, and numerous Michigan Competitive Scholarship recipients. 98% of the senior class planned to attend colleges ranging from the University of Michigan to Michigan State University to Ivy Leaguers like Princeton and Georgetown.

Athletically, the Seniors, and the school saw one of the best years ever for sports at Rice. A state football cham-

pionship was the biggest headliner with impressive regional, Catholic league, and city finishes in golf, cross country, basketball, hockey, wrestling and track.

Individuals also distinguished themselves throughout the year. Athletic stars such as Mike Neff, Greg Dingens, Tim and Tom MacLean, Jerome Malczewski, Tim Sullivan and Kerry Kennedy were recognized standouts in their sports. Tim MacLean became a familiar voice reading the announcements on Friday and Hugh O'Donnell became a familiar name in the announcements. Dave Shenk and Larry Lesczczynski ran the school paper with the ultimate in efficiency. Patrick Carey was an effective Student Body President and Marty Prieb was very effective juggler. Overall, the sum was as good as the parts, and both were superb indeed.

The Seniors were aided considerably by the guidance, instruction and encouragement provided by the teaching and coaching staff at Rice and the new administration. The Class of '81 were the first seniors to help Brother Grimaldi develop his vision of a community of faith, and, indeed, it appeared as if the upperclass was truly leading the school in many respects. A generally conscientious, spirited but extremely wild bunch, the seniors enjoyed to the maximum their last year of high school and their exuberance and vivaciousness was evident in everything they did. They maintained the "pride" they had professed at the year's start and will undoubtedly carry this self-esteem into every facet of future lives.

What began one afternoon in May, 1980, has now been completed. To us, the 1981 Quest is not just a book, but a collection of fond memories we leave behind as we depart from the Brother Rice community.

To capture a full year of high school life with mere pictures and words is not always an easy task. Yet if twenty years from now, you can page through this book and remember that big football game, your first formal dance, or just a fleeting moment spent in classrooms with your friends --- we have succeeded.

I would like to extend a special thank you to Brother James Keane, our moderator, Craine's Studios, and Mr. Bob Berschback of Josten's, American Yearbook Company. Through your time and guidance the inexperience of our brand new yearbook staff quickly faded away and we were able to publish a volume that we could be proud of.

Many months of hard work went into the creation of this book, and, as I hope you will agree, it was well worth it. Memories may fade away, but this one portion of high school will always be there for you.

1981 QUEST

SUPPLEMENT

Senior Graduation A very memorable occasion for all.

The 1981 Commencement exercises were an emotional time for all who attended. It marked the end of four years of hard work and dedication at Brother Rice. Valedictorian, Brian Kitz, addressed his fellow classmates and their families. After the touching ceremony, there was much rejoicing and a little sadness among the members of the Class of '81. Now all that remains of their outstanding class are fond memories.

This year's Rice-Marian Weekend could be termed "a mild success." Neither school made a large sum of money from the endeavor, but all those who participated had a great time. Friday evening began with a volleyball match between the two schools. Marian won overall by taking two out of three matches. After the matches, the lights were turned off and the Three Stooges Film Festival began. Six of the trio's classic comedic films were shown. On Saturday Night the ill-attended Battle of the Bands took place. Three bands were present and attempted to win the event. Each band had at least one member who attended Brother Rice. The Talent Show was held on Sunday night. First, second, and third place all went to an act with a Rice student in it. First place was awarded to Pete Panelli for his expertise in working with numchucks. Second place was given to Tom O'Connor and Marty Priebe for their juggling act. Third place was given to Jim Hurlbert with Maria Freese and Kathleen O'Hare from Marian for their musical act.

Tennis team holds high potential for 1982

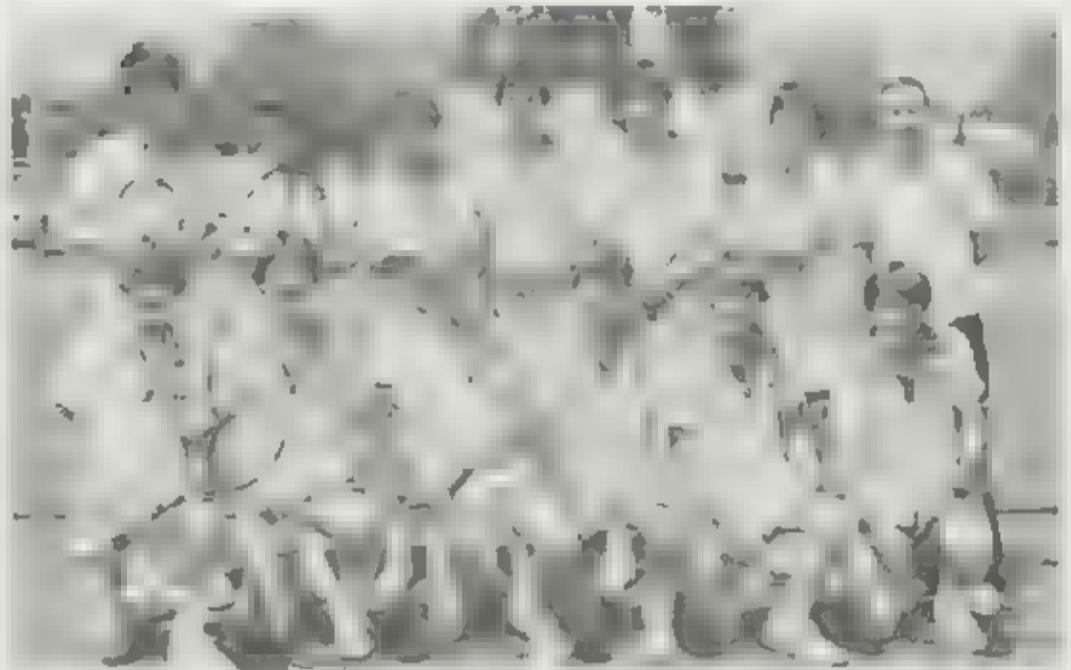

1981 was a rebuilding year for the Varsity Tennis Team with seven new members out of twelve. Co-captains, Paul Dylewski and Chris Forte, along with Dave Barrett, Eric Hofley and Pier DalSanto were the returning lettermen, while the majority of the team, Gary Dylewski, Dave Lord, Mike Parks, Chris Ryan, Dan Walsh, Mike Walsh and Dave Smith were all new members. This year's Varsity Team was very young with only four seniors. They were a little less experienced than previous teams, but as Coach Don McKercher says, "The team has lots of potential for 1982."

The Rackateers won 4th place in the West Bloomfield Division, second in the Trenton Division and third place in the Regionals.

The 1981 Junior Varsity Team was also a very young team with only one junior and two sophomores. Although the team was so young, they won all but the two matches against the highly skilled Carnbrook.

The 1981 Varsity Tennis Team: Front Row, Eric Hofley, Mike Walsh, Gary Dylewski, David Barret, David Lord, Mike Parks. Back Row, Mr. Mark Dwyer, Chris Forte (Co-Captain), David Smith, Mike Walsh, Chris Ryan, Paul Dylewski (Co-Captain) and Coach Don McKercher.

This year's Ski Team, under the leadership of Coach Mary Jo Pulte, was Rice's finest ever. Led by Team Captains Jeff Larson and Phil Stenger the team finished first in their Division with a 6-0 record, as well as fifth out of 23 teams at the Regional meet. This was also the first year that the Ski Team has ever won a trophy.

Of the 75 students who tried out for the team this year, only 15 made it. This year's outstanding skiers were: Jeff Larson, Tom Joyce, MVP's Phil Stenger and Steve Moss who made the All Alpine Division Team.

Many of the skiers are returning next year and Coach Pulte is looking forward to another fine season.

THIS PAGE- Top: Mark Henneghen and an unidentified team member take a break. Middle: Coach Pulte uses a walkie-talkie to talk with her team at the top of the hill. OPPOSITE PAGE- Top: Coach Grosso watches intently.

THE 1981 SKI TEAM: L-R: J. Larson, S. Moss, B. Rooney, N. Fredericks, D. Cooper, C. Hamill, D. Barrett, R. Weber, M. Pulte, T. Joyce, J. Gonzales, M. Henneghen, and P. Stenger.

In Bowling, A and C Teams finished in fourth place, while B Team finished in fifth place.

Led by Coach Carl Grosso, B and C Teams had good seasons staying close to or in first place for most of the season. Only a few poor last matches kept them out of the running. Many players gave outstanding efforts throughout the long 24-week season, like that of John Grawburg bowling an unbelievable 254 game. Rodger Rooney and John Grawburg both maintained averages well into the 160's throughout the season.

Next year will bring back many experienced bowlers and along with them, hopes for a first place finish.

The 1981 Varsity Baseball Team, coached by Al Fracassa and Ron Kalczynski, finished a long, tough season with a 10-17 record. Many of these games were won or lost in the last innings by one run.

The pitching staff, led by John Codere and Rich Stewart, turned out an impressive ERA of 1.91, while at the plate, the Warriors were paced by the bats of Mike Collins and Tom MacLean. One of the team's toughest series was against Bishop Gallagher. Rice won both games, but not until they had played a total of eight extra innings.

One of the team's most outstanding players was John Codere who made All League at three positions.

Hopefully next year will be a better one for the Baseball Warriors, as many of this year's players will be returning next year.

Warriors endure long, tough season

The 1981 Tracksters suffered several disappointing losses throughout a season which can be termed at best a mediocre one. The Warriors were plagued all year long by various injuries and accidents.

Significant contributions by Brad Cochran, Chris Dorcey, and Dave Yarema brightened the season though as they led the Warriors in their respective events.

The Warriors look forward to next season with the return of many of their best people.

Irish Nite Auction supplies needed funds

Sponsored by the Mothers' and Dads' Clubs, the successful Irish Nite Auction brought in \$108,000.00. The funds raised by the March event will be used to build three new auxiliaries, to construct cement sidewalks and to pave the parking lot. In addition, doors will be replaced and an art program will be started.

The highlights of the evening were the selling of Mr. Fracassa's spaghetti dinner for \$3000.00, and Brother Grimaldi's dinner for \$700.00. This auction was a healthy one.

Grimaldi, and Tim Porter work to make sure the auction runs smoothly. LOWER RIGHT: John Salter holds the castle doors open for the incoming guests.
